Profitability:

IDBI Bank reported a net profit of ₹ 225 Crore for the 6 months ended September 30, 2014 as against a net profit of ₹ 499 Crore in the corresponding period of previous year. IDBI reported a net profit of ₹ 118 Crore for the quarter ended September 2014 as against ₹ 106 Crore for the quarter ended June 2014 and ₹ 192 Crore in the corresponding quarter ended September 2013 of previous year.

The profitability for the current quarter/ half year has been largely affected by higher contributions to RIDF & other priority sector deposits. If these amounts had been deployed in regular business, it is estimated that PAT for Q2 FY 15 would have been higher by ₹ 187 Crore and for HY FY 15 would have been higher by ₹ 374 Crore.

Total business (deposits and advances) as of September 30, 2014 stood at ₹ 4,33,062 Crore as against ₹ 3,86,145 Crore as of September 30, 2013, registering a growth of 12.15%.

Deposits increased to ₹ 2,38,006 Crore as at end- September 2014 from ₹ 2,02,559 Crore as at end- September 2013, reflecting a growth of 17.50%.

Advances also increased by 6.25% to ₹ 1,95,057 Crore as at end September 2014 as compared to ₹ 1,83,586 Crore as at end- September 2013.

Aggregate assets as of September 30, 2014, stood at ₹ 3,28,947 Crore as against ₹ 2,97,451 Crore as at September 30, 2013, registering a growth of 10.59% .

Capital Adequacy Ratio (CAR) of the Bank (without considering half yearly profits) stood at (as per Basel III) 11.71% as of September 30, 2014.

IDBI Bank made its first Basel III compliant Additional Tier – I (AT - I) bonds amounting to ₹ 2,500 Crore in October 2014. The amount mobilised would be counted as a part of Tier I capital and accordingly the capital adequacy of the Bank would be 12.62%.

An amount of ₹ 1,000 Crore was mobilized through private placement of infrastructure bonds viz., IDBI Omni Infrastructure Bonds 2014-15 Series I, in terms of RBI circular no. DBOD.BP.BC.No.25/08.12.014/2014-15 dated July 15, 2014, on “Issue of Long-Term

Bonds by Banks – Financing of Infrastructure and Affordable Housing”. The issue opened for subscription on September 8, 2014 and closed on September 12, 2014. The funds so mobilised will not attract CRR, SLR requirement and would be knocked off from ANBC calculations for the compliance of priority sector lending.
