BOARD'S REPORT**REPORT ON MANAGEMENT DISCUSSION AND ANALYSIS****ENVIRONMENT**

The current financial year (FY 2016-17) showed marginal improvement over the previous year. However, liquidity in the core sector industry, which constitutes our customer base, continued to be tight. Most of the projects in the core sector industries continued to languish.

The Minimum Import Prices for steel announced by the Central Government in February 2016 had a salutary impact on the fortunes of the steel sector, resulting in better receivables and turnover from the sector in H2 of FY17. The Minimum Import Prices for steel products were withdrawn in February 2017 and provisional anti-dumping duty has been imposed on majority of steel products. The momentum in the industry is expected to continue, resulting in an improved performance in FY 18.

The decision by the Central Government to withdraw old High Denomination Currency Notes did not have an immediate effect on the sectors catered by us as it only impacted the last mile dealers. However, the lag effect of this on the manufacturers in the sector may be felt in Q1 FY18.

Internationally, the mining industry in Western Australia is recovering from the lows witnessed in FY16. This has helped our subsidiary in Australia to turn profitable. We expect the trend to continue into FY 18. The oil prices have also increased from the lower levels witnessed during FY16. This has helped the industries in Saudi Arabia to some extent, which in turn has enabled Thejo Hatcon to report profitable operation in FY 17.

The impact of recession is still casting its shadow in Brazil and Chile. However, we expect good orders from our Chile subsidiary in FY 18.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The core sector industries to which the Company caters, showed moderate growth during the year under review. The Minimum Import Price which was introduced on a variety of steel products in February 2016 and imposition of provisional anti-dumping duty on majority of steel products by the time Minimum Import Price was lifted in February 2017 helped the steel sector to post a growth of about 9% during April 2016-February 2017. Coal sector grew at about 2.8% and electricity sector by about 5% during this period. However, there were no major new projects in these sectors during FY 17. Though the steel sector gained on account of Minimum Import Price and provisional anti-dumping duty, it is yet to recover fully from the impact of economic slowdown, coal block cancellation and consequent liquidity, NPA and funding issues. As a result, there was a moderate growth in the sales of the Company during the year under review, primarily driven by exports.

The Company has focussed its attention on value added products and export markets. This has resulted in the Company increasing its exports considerably and showing moderate growth in overall sales. The Company is focussing on exports as the domestic growth is expected to be moderate with liquidity and cost pressures.

COMPANY PERFORMANCE AND KEY DEVELOPMENTS

As the Members are aware, the Company is engaged in rubber and polyurethane based engineered products manufacturing, marketing and servicing activities, all under one roof. The services business caters to installation and maintenance of conveyor belts and allied services such as belt splicing, pulley lagging, belt reconditioning, rubber lining, etc. The products business centres around design, development, manufacture and supply of Rubber and Polyurethane based engineered products for belt cleaning, spillage control, flow enhancement, impact and abrasion protection and screening applications.

BOARD'S REPORT**RESEARCH AND DEVELOPMENT**

The approval of Department of Scientific and Industrial Research for the in-house R&D Centre was renewed in April 2016. The R&D Centre is focussing on developing new and innovative products as well as bringing continuous improvement of existing products so as to meet the needs of the customers and to tap new markets. The sustained efforts of Research and Development team helped the Company to develop diverse product ranges under varied conditions such as new grooved rubber and ceramic lagging sheets, ultra super heat resistant repair kits, rubber balls for sieve shakers, mill liners, and high tension belt splicing compounds capable of withstanding some of the hardest working conditions in leading mines.

SAFETY

As part of its policy of giving utmost importance to safety, the Safety Department of your Company is continuously evaluating every process at its manufacturing as well as work sites, and taking necessary steps for the safety of personnel as well as of properties. The Company conducts safety review on regular basis and takes appropriate steps based on the findings.

OPPORTUNITIES AND THREATS**OPPORTUNITIES**

The products as well as services offerings of the Company are intended for the core sector industries. The opportunities for the industry in which the Company operates are intertwined with the opportunities for core sector industries.

Despite the subdued performance in the last couple of years, the prospects of the core sector industries are expected to be bright in the medium term. Moreover, we have a balanced portfolio of products and services, which helps us to moderate the impact of cyclicalities experienced by our customers.

The Company has started its Operations & Maintenance Division under which it offers comprehensive services. Despite the dip in the turnover of the division during FY17 due to the Company's decision not to renew certain contracts based on a review of customer performance, there is a perceptible momentum in favour of the concept of Operations & Maintenance and the market is expected to grow in the future. The Company expects to tap a sizeable portion of the increasing demand for Operations & Maintenance Services.

On the export front, the Company has shown considerable growth and it expects the growth momentum to continue. The Company believes that there will be good growth and returns from exports in the medium term.

THREATS

There are only limited number of organized players in the service segment in which the Company operates. However, competition from the unorganized sector is a challenge for the services business of the Company. In Operation & Maintenance, there is intense competition from organized segment especially during times of cyclical downturn.

Policy changes in respect of core sector industries will have a direct impact on the business of the Company as it primarily caters to core sector industries in the domestic market.

International commodity prices and fortunes of the global mining industries will have an impact on the export prospects of the Company.

The prices of most of the raw materials used by the Company are highly volatile. The volatility is expected to continue in the near future as well. The Company is mitigating this risk by framing appropriate procurement and pricing policies.

BOARD'S REPORT**FUTURE OUTLOOK**

The policy framework formulated by the Government during last year is expected to create a conducive environment for the growth of commerce and industry in our country. Implementation of Goods and Services Tax (GST) is expected to have a major impact on the overall business ecosystem. Key industrial legislations such as Land Acquisition Amendment Bill, Labour Code on Industrial Relations Bill, etc will also have an impact on the industries.

FINANCIAL PERFORMANCE

The financial performance of the Company in the year under review has remained in line with the previous year. While the manufacturing division has shown an increase in turnover on account of higher exports, the Services Division saw a marginal dip in the turnover and Trading Division showed a marginal increase. Export has shown a growth of about 37% on product front compared to the previous year. Your Company is expanding its business in overseas markets through its subsidiaries and branch, which is expected to improve the export turnover further.

The production of moulded and extruded rubber products was 962 tonnes during 2016-17, registering a negative growth of 9% over the previous year (1,062 tonnes). The production of adhesives during the year under review was 278 tonnes, showing a growth of 6% over the previous year (262 tonnes).

SEGMENT WISE PERFORMANCE

Your Company has 3 segments of revenue – Manufacturing Units, Service Units and Others. Audited financial results of these segments are furnished in Note 25.4, forming part of the Financial Statements.

RISK AND CONCERNS

The Company has put in place Risk Management Policy and Procedures for identification, assessment, management, monitoring and minimization of risks. It has identified potential risks under various categories like Business Dynamics, Operations, Liquidity, Market/Industry, Human Resources, Systems and Disaster Management. The Company is periodically reviewing the risks and their identification, assessment, monitoring and mitigation procedures. It does not perceive any major technological, operational, financial or environmental risks in the near future.

However, uncertainty in domestic and global markets coupled with volatility in commodity prices and constraints in infrastructure are causes for concern in the near/medium future.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Your Company has adequate internal control systems combined with Delegation of Powers and periodical review of the process. The control system is also supported by internal audits and management reviews of documented policies and procedures.

DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

During the year, the Company, as part of on-going exercise in skill upgradation, deputed different classes of its employees to programmes and seminars which will help them to add to their professional knowledge and skills.

In order to enthuse the employee base and increase the linear relationship between performance and reward, increments/incentives and ESOP are being provided based on performance. The Company continues to look at, identify, create and execute seamlessly, initiatives which enhance productivity and efficiency.

The Company will invest as hitherto in people through various initiatives which enable the workforce to meet the production and service expectations and challenges related thereto and to infuse positive enthusiasm towards the organisation.

BOARD'S REPORT**CAUTIONARY STATEMENT**

Certain statements in the Management Discussion and Analysis describing the Company's views about the Industry, objectives and expectations, etc. may be considered as 'forward looking statements.' The Company has tried to identify such statements by using words such as 'expect', 'anticipate', 'hope', 'likely', 'plan', 'projected', 'believe', etc. While making these statements, the Management has made certain assumptions which it believes are prudent. There is no guarantee that the assumptions would prove to be accurate. Actual results may differ substantially or materially from those expressed or implied in the statements. The Company undertakes no obligation to update any of the forward looking statements, whether as a result of any future events, change in assumptions or for any other reason, whatsoever. The forward looking statements are purely intended to put certain things in perspective based on the assumptions and estimates of the Management and in no way solicit investment. Members and others are requested to make their own judgment before taking any decision to invest in the shares of the Company.

INTERNAL FINANCIAL CONTROL SYSTEM

The Company has in place adequate internal financial controls with reference to Financial Statements. During the year, such controls were tested and no reportable material weaknesses were observed.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THEJO ENGINEERING LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **THEJO ENGINEERING LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Profit and Loss Statement, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, its profit and its cash flows for the year ended on that date.

INDEPENDENT AUDITORS' REPORT**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us;
 - c) The Balance Sheet, the Profit and Loss Statement and the Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the branches not visited by us;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the Internal Financial Controls over Financial Reporting of the Company and Operating effectiveness of such controls, we give our separate report in Annexure- B; and
 - g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position as referred to in Note 25.1.4 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

ANNEXURE-B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Thejo Engineering Limited ("the Company") as at 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and such control operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk when a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

ANNEXURE-B TO THE AUDITORS' REPORT

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenses of the Company are being made only in accordance with authorisations of management/directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or management override of control, material misstatements due to fraud or error may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate system of internal financial controls over financial reporting and such system was operating effectively as at 31st March, 2017, based on the details furnished by the Company and internal financial controls over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 2**SIGNIFICANT ACCOUNTING POLICIES****2.1 Basis of Accounting**

The financial statements (except cash flow statement) have been prepared under the historical cost convention on an accrual basis and in accordance with applicable Accounting Standards as specified in the Annexure to the Companies (Accounting Standards) Rules, 2006 and Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 of the Ministry of Corporate Affairs. The cash flow statement has been prepared in accordance with AS 3 on "Cash flow statements" issued by the Institute of Chartered Accountants of India. Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the Accounting Policy hitherto in use.

2.2 Presentation and disclosure of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in Schedule III to the Companies Act, 2013. The Company has set a policy of classifying assets and liabilities into current and non-current portion based on the time frame of 12 months from the date of Balance Sheet.

2.3 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses during the period. Examples of such estimates include computation of percentage of completion which requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income tax, post-sales customer support and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of any changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Notes forming part of Financial Statements for the year ended 31st March, 2017
2.4 Fixed Assets*Tangible Assets (Property, Plant and Equipment)*

The Company follows Cost model for its Tangible Assets. Tangible Assets are capitalised at acquisition cost of bringing the assets to their working condition for their intended use. Subsequent expenses related to an item of tangible assets are added to its book value if they increase the future benefits from the existing assets beyond its previously assessed standard of performance. Assets which are not ready for intended use are disclosed under capital work-in-progress.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization. The cost comprises purchase price, permissible borrowing cost and any cost directly attributable to bring the asset to its working condition for its intended use.

2.5 Depreciation*Tangible Assets (Property, Plant and Equipment)*

Pursuant to the enactment of the Companies Act, 2013, depreciation on Tangible Assets is charged under written down value method based on the useful life of individual asset as prescribed in Schedule II of the Act, retaining a residual value of 5% of the cost of the assets. The estimated useful life of some of the assets is arrived at on the basis of technical evaluation on year to year basis. In respect of additions made during the year, depreciation is charged on pro-rata basis from the date of their being ready for use.

Intangible Assets

They are amortized / depleted over the useful life of the underlying assets and / or as prescribed under Accounting Standards.

2.6 Inventories

Inventories are valued at lower of cost and net realisable value based on FIFO Basis.

The cost of inventory comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

The costs of purchase consist of the purchase price including duties and taxes, freight inwards and other expenditure directly attributable to the acquisition. Trade discounts, rebates, duty drawbacks and other similar items are deducted in determining the costs of purchase.

The costs of conversion of inventories include costs of materials used in production, direct labour, and production overheads.

Other costs are included in the cost of inventories only to the extent they are incurred in bringing the inventories to the present location and condition.

2.7 Investments

Each category/item of investment is valued as follows:

2.7.1 Long-term investments are carried at cost, after providing for any diminution in value, if such diminution is other than temporary in nature.

2.7.2 Current investments are carried at the lower of cost and fair value.

The carrying amount of such investments is determined on the basis of weighted average cost of each individual investment.

Investments made in shares or debentures of another company to promote the trade or business of the Company are categorized as Trade Investments.

2.8 Cash and Cash Equivalents

2.8.1 Cash comprises cash on hand and demand deposits with bank.

2.8.2 Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

2.9 Revenue Recognition

2.9.1 Revenue from sale of goods is recognised at the point of despatch to the customers, when the effective control passes on to the buyer.

Notes forming part of Financial Statements for the year ended 31st March, 2017

2.9.2 Revenue from services rendered is recognised based on proportionate completion method, when there is no significant uncertainty regarding the amount of consideration.

2.9.3 Revenue from exports is accounted at the rate of exchange prevailing as on the date of invoicing.

2.9.4 Revenue from export benefits (like Duty Drawback) is accounted at the time of receipt.

2.10 Sales, Works Contracts and Services Income

The amount shown in the Statement of Profit and Loss is net of excise duty and inclusive of all other duties and taxes.

2.11 Employee Benefits

2.11.1 Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages and short term compensated absences as also the expected cost of bonus and ex-gratia are recognised in the period in which the employee renders the related service.

2.11.2 Post employment benefits:

2.11.2.1 *Defined Contribution Schemes:* Contribution to Provident Fund is made monthly to the Provident Fund Authorities. Contribution to Superannuation Fund for eligible employees is made by way of premium to Life Insurance Corporation of India through the Trust and charged to the Profit and Loss Statement, for the year.

2.11.2.2 *Defined Benefit Scheme:* The Company extends defined benefit plan in the form of gratuity to eligible employees. Contribution to gratuity is made to Life Insurance Corporation of India through the Gratuity Fund in accordance with the scheme framed and administered by the Corporation. The present value of the obligation is determined based on actuarial valuation using Projected Unit Credit Method as per the report given by the Corporation.

2.12 Foreign Currency Transactions

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transaction or the average of opening and closing rates. The difference in the rate of exchange, if any, is accounted at the time of realisation or settlement and is recognized in the Profit and Loss Statement. Monetary Assets and Liabilities denominated in foreign currencies are translated at year-end rates. The exchange differences for the period end balances are recorded at a group level and are reversed at the beginning of the next accounting period.

2.13 Taxes on Income

Current tax is determined on the amount of tax payable in respect of taxable income for the year. Deferred Tax is recognized on timing differences, being difference between taxable income and the accounting income that originates in one year and reverses in another. Deferred Tax Assets and liabilities are computed on the timing differences applying the tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred Tax Asset arising on account of unabsorbed depreciation or carry forward of business loss is recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

2.14 Impairment of Assets

Fixed Assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability of assets is measured in line with the relevant Accounting Standard. An impairment loss is recognised in the Statement of Profit and Loss if the carrying amount of an asset exceeds its recoverable amount.

2.15 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when there is a present obligation as a result of a past event and it is probable that outflows will be required to settle the obligation, which can be readily estimated. Contingent liabilities are disclosed after an evaluation of the facts and legal aspects of the matter involved. Even if there is certainty of the obligation not falling on the Company, the same is disclosed as contingent liability. Contingent assets are neither recognized nor disclosed.

2.16 Dividend

Dividend is provided/paid after it is approved by the Members at the Annual General Meeting.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THEJO ENGINEERING LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of **THEJO ENGINEERING LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Profit and Loss Statement, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013, (hereinafter referred to as "the Act"), that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on the Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

INDEPENDENT AUDITORS' REPORT

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2017, its consolidated profit and its consolidated cash flows for the year ended on that date.

Other Matters

The audit of the financial statements/financial information of the subsidiaries (i) THEJO HATCON INDUSTRIAL SERVICES COMPANY, Saudi Arabia, (ii) THEJO AUSTRALIA PTY LTD, Australia, (iii) THEJO BRASIL COMERCIO E SERVICOS LTDA, Brazil and (iv) THEJO ENGINEERING LATINOAMERICA SPA, Chile for the year ended 31st March, 2017 was conducted by other Auditors. Our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, are based solely on the Audit Certificates given by the other Auditors.

Report on Other Legal and Regulatory Requirements

1. The Holding Company does not have any Subsidiary incorporated in India. Hence, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act to the extent applicable to the Holding Company.
2. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books of the Holding Company and our reliance on the Audit Certificates given by other Auditors in respect of the four subsidiaries.
 - c. The Consolidated Balance Sheet, the Consolidated Profit and Loss Statement, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
 - d. In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

INDEPENDENT AUDITORS' REPORT

- f. With respect to the adequacy of the Internal Financial Controls over Financial Reporting of the Group and Operating effectiveness of such controls, we give our separate report in Annexure B, in respect of the Holding Company as Holding Company doesn't have any subsidiary incorporated in India; and
- g. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the financial position of the group as referred to in Note 28.1.3 to the Consolidated Financial Statements;
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts; and
 - iii. There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
 - iv. The holding Company had provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 and these are in accordance with the books of accounts maintained by the company.

ANNEXURE-B TO THE AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Thejo Engineering Limited ("the Holding Company") as at 31st March, 2017 in conjunction with our audit of the consolidated financial statements for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and such control operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk when a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenses of the Company are being made only in accordance with authorisations of management/directors of the Company; and

ANNEXURE-B TO THE AUDITORS' REPORT

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or management override of controls, material misstatements due to fraud or error may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate system of internal financial controls over financial reporting and such system was operating effectively as at 31st March, 2017, based on the details furnished by the Holding Company and internal financial controls over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 2**SIGNIFICANT ACCOUNTING POLICIES****2.1 Basis of Accounting**

The financial statements (except cash flow statement) have been prepared under the historical cost convention on an accrual basis and in accordance with applicable Accounting Standards as specified in the Annexure to the Companies (Accounting Standards) Rules, 2006 and Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 of Ministry of Corporate Affairs. The cash flow statement has been prepared in accordance with AS 3 on "Cash flow statements" issued by the Institute of Chartered Accountants of India. Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the Accounting Policy hitherto in use.

2.2 Principles of Consolidation

- (i) The financial statements are prepared in accordance with the principles and procedures required for the preparation and presentation of consolidated financial statements as laid down under the Accounting Standard (AS) 21, "Consolidated Financial Statements".
- (ii) The financial statements of the Parent Company and its subsidiaries are consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, incomes and expenses after eliminating intra-group balances, intra-group transactions and unrealised profits resulting therefrom and are presented to the extent possible, in the same manner as the Company's independent financial statements.
- (iii) The financial statements of the Parent Company and its subsidiaries have been consolidated using uniform accounting policies for like transactions and other events in similar circumstances except the method of depreciation as adopted by the subsidiary companies has been retained for the purpose of consolidation.
- (iv) The excess of cost to the Parent Company of its investment in each of the subsidiaries over its share of equity in the respective subsidiary, on the acquisition date, is recognised in the consolidated financial statements as 'goodwill on consolidation' and carried in the consolidated balance sheet as an asset. Where the share of equity in the subsidiary companies as on the date of investment, is in excess of cost of investment of the company, it is recognised as 'capital reserve' and shown under the head Reserves and Surplus, in the consolidated financial statements.
- (v) Minority interest in the net assets of the consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2017

in the subsidiary companies and further movements in their share in the equity, subsequent to the dates of investments.

- (vi) The transactions of sale and purchase between the Parent Company and the Subsidiaries are eliminated by reducing both sales and purchases. The unrealized profit on the closing inventory and fixed assets held by the Subsidiaries out of the sales made by the Parent Company is reduced from the closing inventory and fixed assets on consolidation as per AS 21.
- (vii) In order to harmonize the accounting policies followed so as to bring in uniformity in consolidation process, adjustments are made wherever required/possible.

2.3 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include computation of percentage of completion which requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income tax, post-sales customer support and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of any changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.4 Foreign currency transactions

- (a) The reporting currency is Indian Rupees.
- (b) Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (c) Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.
- (d) Where financial statements of the foreign operations are treated as integral operations, they are translated as in the same manner as foreign currency transactions, as described above. Exchange differences arising on such translations are recognized as income or expenses of the period in which they arise.
- (e) Where financial statements of foreign subsidiaries are treated as non-integral operations, their financial statements are translated at the following exchange rates:
 - (i) Share capital: At the original rate when the capital was infused.
 - (ii) Fixed assets: Exchange rate prevailing at the end of the year.
 - (iii) Current/Non current assets and current/Non current liabilities: Exchange rate prevailing at the end of the year.
 - (iv) Revenues and expenses: At the average rate during the year.

The resultant exchange difference is accounted as foreign currency translation reserve until the disposal of the net investment.

2.5 Presentation and disclosure of Consolidated financial statements

The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss are prepared and presented in the format prescribed in Schedule III to the Companies Act, 2013. The Company has set a policy of classifying assets and liabilities into current and non-current portion based on the time frame of 12 months from the date of Balance Sheet.

2.6 Fixed Assets
Tangible Assets (Property, Plant and Equipment)

The Company follows Cost model for its Tangible Assets. Tangible Assets are capitalised at acquisition cost of bringing the assets to their working condition for their intended use. Subsequent expenses related to an item of tangible assets are added to its book value if they increase the future benefits from the existing

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2017

assets beyond its previously assessed standard of performance. Assets which are not ready for intended use are disclosed under capital work-in-progress.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization. The cost comprises purchase price, permissible borrowing cost and any cost directly attributable to bring the asset to its working condition for its intended use.

2.7 Depreciation
a. Parent Company
Tangible Assets (Property, Plant and Equipment)

Pursuant to the enactment of the Companies Act, 2013, depreciation on Tangible Assets is charged under written down value method based on the useful life of individual asset as prescribed in Schedule II of the Act, retaining a residual value of 5% of the cost of the assets. The estimated useful life of some of the assets is arrived at on the basis of technical evaluation on year to year basis. In respect of additions made during the year, depreciation is charged on pro-rata basis from the date of their being ready for use.

Intangible Assets

They are amortized/ depleted over the useful life of the underlying assets and/ or as prescribed under Accounting Standards.

b. Foreign Subsidiaries

Depreciation has been provided on written down value or straight line method at the rates or on the basis of useful life of assets as evaluated and estimated by the Management.

2.8 Inventories

Inventories are valued at lower of cost and net realisable value under FIFO basis.

The cost of inventory comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

The costs of purchase consist of the purchase price including duties and taxes, freight inwards and other expenditure directly attributable to the acquisition. Trade discounts, rebates, duty drawbacks and other similar items are deducted in determining the costs of purchase.

The costs of conversion of inventories include costs of materials used in production, direct labour, and production overheads.

Other costs are included in the cost of inventories only to the extent they are incurred in bringing the inventories to the present location and condition.

2.9 Revenue Recognition

2.9.1 In respect of sale of products, revenue is recognised at the point of despatch to the customers, when the effective control passes on to the buyer and in respect of services rendered, revenue is recognised based on proportionate completion method, when there is no significant uncertainty regarding the amount of consideration

2.9.2 Exports sales are accounted at the rate of exchange prevailing as on the date of invoicing.

2.9.3 Revenue from export benefits (like Duty Drawback) is accounted at the time of receipt.

2.9.4 The transactions of sale and purchase between the Parent company and the Subsidiaries are eliminated by reducing both sales and purchases.

2.10 Sales, Works Contracts and Services Income

The amount shown in the Consolidated Statement of Profit and Loss is net of excise duty and inclusive of all other duties and taxes except Thejo Australia Pty Ltd where revenue is stated net of GST.

2.11 Employee Benefits
Parent Company

2.11.1 *Short term employee benefits:*

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages and short term compensated absences as also the expected cost of bonus and ex-gratia are recognised in the period in which the employee renders the related service.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2017
2.11.2 Post employment benefits:

2.11.2.1 Defined Contribution Schemes: Contribution to Provident Fund is made monthly to the Provident Fund Authorities. Contribution to Superannuation fund for eligible employees is made by way of premium to Life Insurance Corporation of India through the Trust and charged to the Consolidated Statement of Profit and Loss for the year.

2.11.2.2 Defined Benefit Scheme: The Company extends defined benefit plan in the form of gratuity to employees. Contribution to gratuity is made to Life Insurance Corporation of India through the Gratuity Fund in accordance with the scheme framed and administered by the Corporation. The present value of the obligation is determined based on actuarial valuation using Projected Unit Credit Method as per the report given by the Corporation.

Employee benefits in respect of subsidiaries are provided as per the applicable laws of the country where the subsidiaries are situated.

2.12 Taxes on Income*Parent Company*

Current tax is determined on the amount of tax payable in respect of taxable income for the year. Deferred Tax is recognized on timing differences, being difference between taxable income and the accounting income that originates in one year and reverses in another. Deferred Tax Assets and liabilities are computed on the timing differences applying the tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred Tax Asset arising on account of unabsorbed depreciation or carry forward of business loss is recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Subsidiaries

Generally, the breakup of the major components of the Deferred Tax Assets and Liabilities as at Balance Sheet date of the subsidiary companies is arrived at after setting off deferred tax assets and liabilities where the respective companies have a legally enforceable right to set off assets against liabilities where such assets and liabilities relate to taxes on income levied by the same governing taxation laws of the country concerned.

2.13 Impairment of Assets

Fixed Assets are reviewed for impairment by the Parent Company whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability of assets is measured in line with the relevant Accounting Standard.

2.14 Investments

Each category/item of investment is valued as follows:

2.14.1 Long-term investments are carried at cost, after providing for any diminution in value, if such diminution is other than temporary in nature.

2.14.2 Current investments are carried at the lower of cost and fair value.

The carrying amount of such investments are determined on the basis of weighted average cost of each individual investment.

2.15 Cash and Cash Equivalents

2.15.1 Cash comprises cash on hand and demand deposits with bank.

2.15.2 Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

2.16 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when there is a present obligation as a result of a past event and it is probable that outflows will be required to settle the obligation, which can be readily estimated. Contingent liabilities are disclosed after an evaluation of the fact and legal aspects of the matter involved. Even if there is certainty of the obligation not falling on the Company, the same is disclosed as contingent liability. Contingent assets are neither recognized nor disclosed.

2.17 Dividend

Dividend is provided/paid after it is approved by the Members at the Annual General Meeting.
