THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode

(i) The voting period begins on Tuesday, 22nd September, 2026 at 10.00 A.M and ends on Thursday, 24th September, 2026 at 5.00 P.M. During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, Friday 18th September, 2026 (record date) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to **SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting **to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ANNEXURE B

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We herewith submit the Management Discussion and Analysis Report on the business and operations of **SHANTI GURU INDUSTRIES LIMITED** ("the Company") for the financial year ended **31st March, 2026**.

ECONOMY :

The Indian economy continued to demonstrate strong resilience during FY 2025–26. According to the provisional estimates released by the Ministry of Statistics and Programme Implementation (MoSPI), India's **Real GDP is estimated to have grown by 7.8% during FY 2025–26**, compared with growth of 7.1% in FY 2024–25. The growth was supported by domestic consumption, investment activity, infrastructure development and continued momentum in the services sector.

The economy benefited from stable domestic demand, improving purchasing power, infrastructure investments and continued policy support for manufacturing and economic development. The services sector also remained a major contributor to economic activity and is estimated to have grown by approximately **9.1% in FY 2025–26**.

Inflationary pressures remained relatively contained during FY 2025–26. Consumer demand was supported by improving purchasing power and favourable economic conditions. At the same time, global economic uncertainties, geopolitical developments, commodity price volatility and changes in international trade policies continued to remain important areas of consideration.

India's large domestic market, favourable demographic profile, expanding consumer base and continued investments in infrastructure and manufacturing provide a strong foundation for sustainable economic growth.

INDUSTRY

The **Fast-Moving Consumer Goods (FMCG)** sector continued to remain an important component of India's consumption-driven economy during FY 2025–26. The sector witnessed healthy growth, supported by consumer demand, rural consumption, improving purchasing power, smaller pack sizes, wider distribution networks and increasing adoption of e-commerce and digital channels.

According to NielsenIQ data, India's FMCG market recorded **13.9% value growth and 6% volume growth during Q1 FY2025–26**, with rural demand continuing to be an important growth driver.

The consumption environment also showed signs of rebalancing during the year, with urban markets demonstrating resilience while rural growth moderated from earlier levels. This indicates a broadening of the consumption recovery rather than dependence on any single market segment.

The food and packaged food segment continues to benefit from changing lifestyles, increasing urbanization , rising consumer awareness and increasing preference for convenient, affordable and quality food products.

However, the biggest challenge faced today is to maintain volume growth and consumer affordability while input costs, competition and distribution costs are increasing.

FINACIAL PERFORMANCE

During the financial year under review, the Company's total assets increased from ₹146.99 crore to ₹279.54 crore. The net worth also increased from ₹136.83 crore to ₹249.15 crore, representing a growth of approximately 82.09%. The increase was primarily attributable to the significant growth in investments and other equity during the year

HUMAN RESOURCES

The Company recognises its human resources as an important asset and continues to focus on maintaining a competent and committed workforce. The employees contributed towards the day-to-day operations and activities of the Company. The Company remains committed to providing a conducive work environment and supporting the professional development and well-being of its employees.

CHANGE IN NET WORTH

During the financial year under review, the net worth of the Company increased from ₹136.83 crore as at 31 March 2025 to ₹249.15 crore as at 31 March 2026, representing an increase of approximately 82.09%.

OUTLOOK

The outlook for the FMCG sector remains positive, supported by improving rural demand, gradual urban consumption recovery, expanding digital and quick-commerce channels, and increasing consumer spending. However, the sector is expected to face near-term challenges from volatile raw-material costs, margin pressures, intense competition and changing consumer preferences. Companies focusing on cost efficiency, product innovation, affordable offerings and wider distribution are expected to remain well positioned for sustainable growth.

OPPORTUNITY

India's expanding consumer market presents significant opportunities for companies operating in the food and FMCG segments. Rising disposable income, changing consumption patterns, increasing awareness of packaged food products and demand for convenience are expected to support the growth of the sector.

THREATS, RISKS & CONCERNS

The Company's operations are exposed to various risks associated with the FMCG, trading and food products sectors.

Volatility in the prices of raw materials, packaging materials, fuel, transportation and other inputs may affect operating costs and margins. The Company may also face competition from established FMCG companies, regional players and emerging brands.

Changes in consumer preferences, regulatory requirements, market conditions and product demand may impact the Company's operations and financial performance.

Global economic uncertainties, geopolitical developments, international trade policies, adverse weather conditions and supply-chain disruptions may also affect the availability and cost of raw materials.

The Company continues to monitor these risks and intends to take appropriate measures to mitigate their potential impact on its operations and financial performance.

SEGMENT-WISE PERFORMANCE

The Company's primary operating segment during FY 2025–26 was trading of marketable goods. Accordingly there are no separate reportable segments

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal control systems and procedures commensurate with the size, nature and complexity of its business operations.

The internal control framework is designed to safeguard the Company's assets, ensure proper authorisation and recording of transactions, maintain reliable financial reporting and promote compliance with applicable laws and regulations.

The management periodically reviews the adequacy and effectiveness of the internal control systems and takes appropriate corrective measures wherever necessary.

KEY FINANCIAL RATIOS

The key financial ratios and other relevant financial information for FY 2025–26, along with the corresponding figures for FY 2024–25, are disclosed in the Notes to the Financial Statements forming part of the Annual Report.

CAUTIONARY STATEMENT

Statements in this Management Discussion and Analysis Report describing the Company's objectives, expectations, estimates, projections or predictions may constitute forward-looking statements. Actual results may differ materially from those expressed or implied due to various factors, including

changes in economic conditions, market conditions, competition, regulatory environment, raw material prices, consumer demand, geopolitical developments and other risks and uncertainties.

The Company assumes no obligation to publicly update or revise any forward-looking statements based on subsequent developments, events or circumstances.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information obtained at the date of this auditor's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 wherever applicable.

(e) On the basis of the written representations received from the directors as on 31st March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.

(g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company do not have any pending litigations to report on its financial position in its financial statements as reported by the management.

ii. The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

(v) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

(vi) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit-log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further,

during the course of our audit we did not come across any instance of audit trail feature being tampered with. The audit trail has been preserved by the company as per the statutory requirements for record retention.

(h) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the limit prescribed by section 197 for maximum permissible managerial remuneration has been complied with as there was no managerial remuneration paid during the year.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SHANTI GURU INDUSTRIES LIMITED (FORMERLY RCL RETAIL LIMITED), CHENNAI FOR THE YEAR ENDED 31ST MARCH 2026

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial reporting of Shanti Guru Industries Limited (Formerly RCL Retail Limited), Chennai ("the Company") as of March 31, 2026 in conjunction with our audit of the Ind AS Financial statements of the Company for the Year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over the Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial statements, whether due to fraud or error.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.

2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management overriding of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on

- i. Existing policies and procedures adopted by the Company for ensuring orderly and efficient conduct of the business.
- ii. Continuous adherence to Company's policies.
- iii. Existing procedure in relation to safeguarding of Company's fixed assets, Investments, Receivables, loans and advances made and cash and bank balances.
- iv. Existing system to prevent and detect fraud and errors.
- v. Accuracy and completeness of Company's accounting records.
- vi. Existing capacity to prepare timely and reliable financial information.

ASSESSMENT YEAR: 2026-27

Notes to financial statements for the year ended March 31, 2026

All amounts are in Indian Rupees in Hundreds

NOTE 1 – BACKGROUND

Shanti Guru Industries Limited (Formerly known as RCL Retail Limited) was originally incorporated as a private limited company on 29.09.2010 in the State of Tamil Nadu which was subsequently converted to public company on 23.03.2011 having its registered office in Chennai. The Company is engaged in the business of retail trading. The company is in the process of setting up of manufacturing unit of processed foods.

NOTE 2 - BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS

- i. The financial statements have been prepared in accordance with the Indian Accounting Standards (IND AS) notified under the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time.
- ii. The significant accounting policies used in preparing the financial statements are set out in Note No. 3

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, Plant and Equipment (PPE)

(i) Property, Plant and Equipment are stated at cost of acquisition net of accumulated depreciation/ amortization and impairment losses if any, except free hold land which is carried at cost less impairment losses if any. The cost comprises purchase prices, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

(ii) The Company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalized and the carrying amount of replaced parts are de-recognized. When each major inception/ overhauling is performed, its cost is recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/ overhauling (as distinct from physical parts) is de- recognized.

(iii) Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalization criteria in accordance with IND AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

(iv) PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use or disposal. Gains or losses arising from disposal of plant, property and equipment are measured as the difference between the net disposal proceeds and the carrying amount of such assets are recognized in the statement of profit and loss.

(v) Depreciation for plant and machinery has been provided on Written down value method.

(vi) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

3.2 Current or Non-Current classification

An asset or liability is classified as current if it satisfies any of the following conditions:

- i) Asset or liability is expected to be realized in the company's normal settlement cycle.
- ii) Asset is intended for sale or consumption.
- iii) Asset or liability is held primarily for the purpose of trading.
- iv) Asset or liability is expected to be realized or settled within twelve months after reporting period.

3.3 Intangible assets

- i) The cost of computer software that are installed are accounted at cost of acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any. Internally generated software is not capitalized and the expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.
- ii) The residual values, useful lives and methods of depreciation of intangible assets are reviewed at each reporting date and adjusted prospectively, if appropriate.

3.4 Inventories

- (i) Inventories are valued at cost or net realizable value whichever is lower. Cost includes the cost incurred in bringing the inventories to their present location and condition.
- (ii) Raw materials, stores and spares are valued at cost or net realizable value whichever is lower. Cost includes the cost incurred in bringing the inventories to their present location and condition. For cost calculation of Raw materials as it is not ordinarily inter changeable specific identification method is used. For cost calculation of stores and spares weighted average method is used.
- (iii) For valuation of finished goods / stock-in-process, cost includes material, direct labour, overheads (other than abnormal amount of wasted materials, storage costs, selling and administrative overheads) wherever applicable.

3.5 Revenue Recognition

- (i) Revenue is recognized to the extent that is probable that the economic benefits will flow to the company and the revenue can be reliably measured.
- (ii) Sale of products is recognized when the significant risk and reward of ownership of the goods have been passed to the buyer. Revenue is measured at fair value of the consideration received or receivable, after deduction of any taxes or duties collected on behalf of the government which are levied on sales such as VAT, GST, etc.
- (iii) Dividend income, if any, is recognized when the company's right to receive dividend is established by the reporting date.
- (iv) Interest income from financial assets is recognized at the effective interest rate applicable on initial recognition.
- (v) Scrap sales is recognized at the fair value of consideration received or receivable upon transfer of significant risk and rewards. It comprises of invoice value of goods and after deducting applicable taxes on sale.

3.6 Employee Benefits

The Company does not have any manufacturing activity. There are no permanent workers / employees as at the end of the year. Accordingly there are no liabilities with respect to Bonus, Gratuity, Provident Fund, Employees State Insurance, Leave Encashment and other retirement benefits.

3.7 Provision, Contingent Liability and Contingent Assets

Provision is recognised in respect of present obligation requiring settlement by outflow of resources and of which reliable estimate of the amount of obligation could be made.

Contingent liability is not recognised and is disclosed unless the possibility of outflow of resources embodying economic benefit is remote. Present obligation arising from past events and the existence of which is subject to occurrence or non-occurrence of an in certain future event is disclosed.

3.8 Cash Flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

3.9 Borrowing Cost

Interest and other cost in connection with borrowing of funds to the extent related / attributed to the acquisition/construction of qualifying fixed assets are capitalized up to the date when such assets are ready for its intended use. Other borrowing costs are charged to Profit and Loss Account.

3.10 Earnings Per Share

Basic Earnings per share is calculated by dividing the Net profit or loss after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is determined by adjusting the Profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

3.11 Income Tax

The tax provision is considered as stipulated in IND AS 12 and includes current and deferred tax liability. The company recognizes the accumulated deferred tax asset based on accumulated time difference using current tax rate. Both the current tax and deferred tax liability relating to items recognized outside the profit or loss is recognized either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

3.12 Segment Reporting

The Company's Operating segment is identified based on nature of activity, risks and returns. The Company is primarily engaged in Trading of all kinds of tradeable and marketable goods - Operating Segment.

3.13 Impairment of Non-financial Assets

- (i) The carrying values of non-financial assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.
- (ii) Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation / amortization for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.
- (iii) An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.
- (iv) An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

3.14 Financial Instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

3.15 Financial Assets

(i) Financial assets comprise of investments in Equity, Trade Receivables, Cash and Cash Equivalents and Other Financial Assets.

(ii) Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:

- a) Amortized cost; or
- b) Fair value through Other Comprehensive Income (FVTOCI); or
- c) Fair value through Profit or Loss (FVTPL)
- d) Amortized cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

(iii) The Company classifies its financial assets for measurement as below:-

- a. Trade receivables, Loan and advances given to employees and related parties, deposits and other advances recoverable in cash or kind - Amortized Cost
- b. Investment in Equity instruments – FVTPL

(iv) The company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognized in the statement of profit and Loss.

(v) The company assesses at each balance sheet date whether the financial asset or group of financial assets is impaired. IND AS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

3.16 Financial Liability

(i) Financial liabilities comprise of Borrowings from Banks, Trade payables, Derivative financial instruments, financial guarantee obligation and other financial liabilities.

(ii) The Financial Liabilities comprising Borrowings, trade payables, interest accrued, Unclaimed/ Disputed dividends, security deposits and other financial liabilities not for trading are measured at Amortized Costs

(iii) Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.

(iv) Upon de-recognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognized in the Statement of Profit and Loss.

3.17 Fair Value Measurement

(i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

(ii) The fair value of an asset or a liability is measured / disclosed using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

(iii) All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole.

The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

(iv) For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

(v) For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

(vi) The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

Investments in Equity:

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using generally accepted valuation techniques.

Non-derivative financial liabilities

The fair value of non-derivative financial liabilities viz, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

3.18 Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities.

Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future year's. Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

(i) Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

(ii) Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

(iii) Contingent Liabilities

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(iv) Impairment of Trade receivables

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

(v) Impairment of Non-financial assets (PPE/Intangible Assets / Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

(vi) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.
