MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the Management Discussion and Analysis report for the year ended on March 31, 2023.

Cautionary Statement:

The statements in the "Management Discussion and Analysis Report" describe your Company's objectives, projections, estimates and expectations which may be "forward-looking statements" within the meaning of the applicable laws and regulations. The actual results could differ materially from those expressed or implied, depending upon the economic and climatic conditions, government policies, taxation and other laws and other incidental factors.

a) INDUSTRY STRUCTURE, DEVELOPMENT -

Market Size of the Indian power sector is undergoing a significant change that has redefined the industry outlook. Power is one of the most critical components of infrastructure crucial for the economic growth and welfare of nations. The existence and development of adequate infrastructure is essential for sustained growth of the Indian economy. India's power sector is one of the most diversified in the world. Electricity demand in the country has increased rapidly and is expected to rise further in the years to come. In order to meet the increasing demand for electricity in the country, massive addition to the installed generating capacity is required.

The government of India has approved the Revamped Distribution Sector Scheme (RDSS) to help DISCOMs improve their operational efficiencies and financial sustainability by providing result-linked financial assistance to DISCOMs to strengthen supply infrastructure based on meeting pre-qualifying criteria and achieving basic minimum benchmarks. The scheme has an outlay of Rs 3,03,758 Crore over 5 years i.e. FY 2021-22 to FY 2025-26. The outlay includes an estimated Government Budgetary Support (GBS) of Rs 97,631 Crore.

REC and PFC have been nominated as nodal agencies for facilitating the implementation of the

The scheme aims to meet the following objectives:

Reduction of AT&C losses to pan-India levels of 12-15% by 2024-25.

Reduction of ACS-ARR gap to zero by 2024-25.

Improvement in the quality, reliability and affordability of power supply to consumers through a financially sustainable and operationally efficient distribution sector.

b) OPPORTUNITES, THREATS AND RISKS

Transformers being used in generation, transmission as well as distribution network have experienced healthy growth over the last few years and the market is further set to rise as a result of increased governmental focus towards rural electrification. Although there is stiff competition in the market, yet because of vide product range, innovation and adoption of new technologies, pricing pressure, design parameters. Company has taken various initiatives with an aim to address these concerns.

There may be other risks that could emerge in the future.

c) SEGMENT WISE PERFOMANCE OR PRODUCT-WISE PERFORMANCE.

The company operates broadly into following Segment:

- (i) Manufacturing of Transformers

Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure

Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The Compliance of the conditions of Corporate Governance is the responsibility of the management of the Company. My examination was limited to the review of procedures and implementation thereof, as

adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither

an audit nor an expression of opinion on the Financial Statements of the Company.

In my opinion and to the best of my information and according to the explanation given to me, and the

representation made by the management of the Company, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the

Financial Year ended on March 31, 2023.

I further state that such compliance is neither an assurance as to the future viability of the Company nor

of the efficiency or effectiveness with which the management has conducted the affairs of the

Company.

This Certificate is issued solely for the purpose of the complying with aforesaid Listing Regulations and

may not be suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To

THE MEMBERS OF STARDELTA TRANSFORMERS LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited theaccompanying Ind AS financial statements of **STARDELTA TRANSFORMERS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Statement of Cash Flowsfor the yearthen ended, and notes to the Ind AS financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the 'IndAS Financial Statements")...

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, itsProfits, including other comprehensive income, changes in equity and its Cash Flows for the yearended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind ASFinancial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind ASfinancial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for ouropinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Ind AS financial Statements of the current year. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Ind AsFinancial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for theother information. The other information comprises theinformation included in the Company's Annual report, Board's Report including Annexure to the Board's Report, Business Responsibility Report, Corporate Governance and Report on CSR activities, and Shareholders information but does notinclude the Ind Asfinancial statements and ourauditor's report thereon.

Ouropiniononthe Ind Asfinancialstatements does not cover the other information and we do not expressany form of assurance conclusion thereon.

Inconnection with our audit of theInd AsFinancialstatements,ourresponsibilityistoreadtheotherinformationand,indoingso,considerwhetherthe otherinformation is materially inconsistent with the Ind As financialstatements or our knowledge obtained during the course of our audit orotherwise appears to be materially misstated.

If, basedontheworkwehaveperformed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report inthis regard.

Management's Responsibility for the Ind As Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these Ind Asfinancial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing theInd Asfinancial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Ind As Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind Asfinancial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind Asfinancial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind Asfinancial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the

related disclosures in the Ind Asfinancial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure, and content of the Ind Asfinancial statements, including the disclosures, and whether the Ind Asfinancial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the advance consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on Audit of internal financial controls over financial reporting (the "Guidance note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial reporting controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exist, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Ind ASfinancial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. The Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind ASfinancial statements in accordance with generally accepted accounting principles, and that receipt and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or deposition of the company's assets that could have a material effect on the Ind ASfinancial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial control over financial reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Note 1: Significant accounting policies General Information

Star Delta Transformers Limited ("the Company") is a public limited company, which is domiciled and incorporated in the Republic of India with its registered office situated at "92-A, Sector - A, Industrial Area, Govindpura, Bhopal - 462023" The Company was incorporated under the Companies Act,1956 on February 17, 1977. The Company is a manufacturer of distribution and power transformers.

Significant accounting policies

(a) Basis of preparation

(i) Compliance with Ind AS

The standalone financial statements comply in all material aspects with Indian Accounting Standards (Ind As) notified under Section 133 of the Companies Act,2013 (the Act) read with [companies (Indian Accounting Standards) Rules,2015] and Companies (Indian Accounting Standards) Amendment Rule 2016, Companies (Indian Accounting Standards) Amendment Rule 2018 and other relevant provisions of the Act.

The financial statements have been prepaired on accrual and going concern basis. The accounting policies are applied consistantly to all the periods presented in the financial statements. All assets and liabilities have been classified as current and non current as per the Companie's normal operating cycle assertained as 12 months for the purpose by the Company.

(ii) Historical cost convention The financial statements have been prepared on historical cost convention unless otherwise indicated.

(b) Key estimates and assumptions

In preparing these financial statements in accordance with Ind AS, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts in the balance sheet and statement of profit and loss, actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognized prospectively.

Judgment, estimates and assumptions are required in particular for:

- (i) Recognition and measurement of defined benefit obligations
 The obligation arising from defined benefit plan is determined on the basis of acturial assumptions. Key acturial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate determined by refrence to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.
- (ii) Recognition and measurement of other provisions
 The recognition and measurement of other provisions are based on the assessment of
 the probability of an outflow of resources, and on past experience and circumstances
 know at the balance sheet date. The actual outflow of resources at a future date may
 therefore, vary from the amount included in other provisions.

(c) Foreign currency translation

Function and presentation currency

Item included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Indian Rupee (`) is the functional and presentation currency of the company.

Transaction and balances

Foreign currency transaction are translated into the respective functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transaction and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

Foreign exchange differences regards as an adjustment to borrowing costs are presented in the statement of profit and loss, whithin finance cost. All other foreign exchange gains and losses are presented in the statements of profit and loss on a net basis within loss on exchange rates & forward Exchange Contracts. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(d) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable after deduction of any trade discounts and net of returns, rebates, and any taxes or duties collected on behalf of the government which are lavied on sales such as Sales Tax, VAT, Goods and Service Tax etc.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and when significant risks and rewards of ownership in the goods are transferred to the buyer.

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed in propotion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

(e) Income tax

The income tax expenses or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India. Management periodically evaluates positions taken in tax returns whith respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally inforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other conprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

(f) Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through statement of profit and loss), and
- those measured at amortised cost.

(ii) Initial recognition & measurement

At initial recognition, the Company measures a financial asset at fair value plus, in the case of a financial asset not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial asset) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the assets or has assumed an obligation to pay the received cash flows in full without material delay to a third party; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

When the Company has transferred its rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

(iv) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debts securities, deposits, and bank balance.

- **Trade receivables -** The application of simplified approch does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on life time ECLs at each reporting date, right from its initial recognition. Trade receivables are tested for impairment on a specific basis after considering the sanctioned credit limits, security like letters of credit, security deposit collected etc. and expectations about future cash flows.

(g) Financial liabilities

(i) Classification

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered in to and the definitions of a financial liability and an equity instrument.

The Company classified all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

(ii) Initial recognition and measurement

Financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable and incremental transaction cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or cost that are integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

(iii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

(h) Impairment of assets

Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(i) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker ("CODM") of the company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director and Chief Operating Officer of the Company. The Company has identified Two segment i.e. Manufacturing & distribution of electrical transformers and production & supply of solar power as reporting segment based on the information reviewed by CODM.

(j) Inventories

Raw materials and stores, work in progress, traded and finished goods

Raw materials and stores, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials and traded goods comprises cost of purchases. Cost of work in progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the basis of weighted average price. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

(k) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated whith the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives specified in schedule II of the Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greather than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

(I) Intangible assets

Company has no intangible assets.

(i) Research and development

Revenue expenditure on research & development is charged to the statement of Profit and Loss of the year in which it is incurred.

(m) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substancial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

(n) Provisions

Provisions for legal claims, volume discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. Provision are measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the liklihood of outflow of resources is remote, no provision disclosure is made.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

(o) Employee benefits

(i) Short term obligations

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditinal right todefer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to accrue.

(iii) Post-employment obligations:-

The company operated the followings post-employments schemes:

- (a). Defined benefits plans such as gratuity, and
- (b). Defined contribution plan such as provident fund.

Gratuity obligations

The following post - employment benefit plans are covered under the defined benefit plant:

Gratutity:

The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The Company has a scheme with Life Insurance Corporation of India for payment of gratuity liability. The annual premium paid/payable as per the acturial calculation made by the agency is charged as an expense to the statement of profit and loss. The Company has no further defined obligation beyond the contribution.

Defined contribution plan

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for a defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

(p) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reprting period.

(q) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at the banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(r) Earning per share

(i) Basic earning per share

Basic earning per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(i) Diluted earning per share

Diluted earning per share adjusted the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potencial equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potencial equity shares.

(s) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to rupees in lakhs as per the requirement of schedule III, unless otherwise stated.
