### Industry Structure and Developments

In 2024, ELANTAS Beck India Limited (“Company / EBIL”) continued its progress towards record milestones, focusing on strengthening presence and growing share in traditional markets such as the electrical segment, while also developing new applications in emerging markets such as electronics. This is despite the challenges faced through unprecedented cost increases and related availability concerns with certain raw materials, coupled with continued conflicts in Russia-Ukraine and the Middle East, which disrupted supply chains. Your Company continued to remain steadfast in its efforts to ensure supply continuity for customers while minimizing cost impacts.

By continuing to build a better understanding of the market, your Company’s teams managed the volatile demand and cost situation through effective price-volume management to maximize value creation for your Company and the industry.

Strategic investments in new product development and additional manufacturing assets allowed your Company to position its products to meet the demands of emerging applications. Reporting a record revenue of ₹74,851.31 Lakhs, a 10% increase compared to 2023, with a margin of ₹23,632 Lakhs, up by 6% over 2023, your Company achieved its highest-ever sales. Focused on developing innovative solutions to address evolving industry trends, your Company continued to grow despite the aforementioned challenges through the year.

To bolster its market position, during the year under review, your Company also successfully integrated Von Roll India’s assets and customer relationships pertaining to the resins and tapes product segments, to cohesively deliver value to its customers and the industry. Your Company’s team remains committed to anticipating industry requirements and delivering value-added products through its technology leadership and local manufacturing capabilities.

### Segment wise Performance

#### Electrical Insulation Business

The Electrical Insulation Business comprising of Wire Enamels (WE) and Secondary Insulation (Low Voltage, LV and High Voltage, HV) products account for approximately 84% of your Company’s sales revenue and constitutes the core business of your Company.

- Wire Enamel business primarily caters to Magnet Wire manufacturers, whose end customer base span the Home Appliances, Transformers, automotive and Industrial Segments. Secondary Insulation products like Varnishes find application in Rotating Machines used in Home Appliances, Automotive Components, Industrial Motors, Generators and Transformers apart from the Repair and Refurbishment industry.
- 2024 focused on maximizing value through volume growth, by managing price in line with the raw material cost.
- Business exhibited a typical volume cycle with a slow Q3, and with volume growth across the remaining quarters. The overall industry indicated a slightly subdued demand in the second half of the year, compared the first half.

- As mentioned above, the successful integration of Von Roll India's assets and customer relationships pertaining to the resins and tapes product segments resulted in a higher contribution from the Electrical Insulation Business.

(a) Following measures were taken to conserve energy:

- Installation of a new energy efficient cooling tower by stopping surface water circulation have resulted into increase in energy saving as well as productivity and yield improvement significantly.
- Substantial power saving achieved in ETP by value engineering and stopping of multiple transfer pumps after completing Kaizen at both the sites.
- Productivity improvement at various production lines resulted into lesser cycle time and hence reduced energy consumption.
- Automation of packing lines for filling of drums (four drums together) resulted into reduced cycle times & energy savings.
- Transfer of raw materials/intermediates by gear pump leading to elimination of vacuum operations.
- Several Green & Black Belts along with Kaizens at both sites resulted into improved operations efficiencies and thereby reduced energy consumption.
- Installation of latest technology & energy efficient gear drives for agitators leading to considerable amount of energy savings.
- Replacement of booster water pump with energy efficient pump.
- Replacement of fluorescent lights by LED lights.

(b) Additional investments and proposals being implemented for reduction of consumption of energy and the steps taken by your Company for utilizing alternate sources of energy:

- Installation of solar cells at the new Warehouse and admin building. Both facilities are 'GREEN BUILDING' as energy consumption will be based on green energy.
- Capacity expansion of UPR production line at Ankleshwar with larger capacity reactor & energy efficient motors with gear boxes will result in significant amount of energy savings.

(c) The capital investment on energy conservation equipments:

Total amount spent on energy conservation equipments during the financial year 2024–₹ 97 Lakhs

(d) As a consequence of the above measures, there has been a reduction in the energy consumption per unit of production by 3.2 % in Gas and by 3.8 % in electricity respectively.

Your Company monitors its operations regularly for its energy consumption. Your Company works towards process improvements proactively & makes suitable changes to ensure optimal energy consumption. Further, its persistent efforts towards process automation have optimised energy consumption per unit of output. Energy-saving measures such as optimisation of process, upgradation of equipment and technology are being taken.

### B. TECHNOLOGY ABSORPTION

(i) Following efforts were made towards technology absorption:

- **Specific areas in which Research and Development (“R&D”) was carried out by the Company**

Year 2024 was the year of continued focus on capturing value from technologies amidst pressure on prices, driving growth in new products launched over the last 3-5 years, and

preparing new product launches for new applications/markets. These focus areas were critical to drive growth during volatility in demand and raw material costs. Continued evaluation and approvals of alternate raw materials and alternate suppliers allowed your Company to ensure reliability and continuity of business at acceptable costs. The R&D team continued to support your Company's production process through various activities to maintain a technological as well as a cost edge, provide effective solutions to customers and improve internal productivity through process improvements and introduction of new cost-effective raw materials.

Your Company's R&D center was engaged in the development and launch of new insulation materials and in the absorption of technology acquired from overseas affiliates of ELANTAS division for the manufacture of certain wire enamels, varnishes and casting and potting systems to address electrical and electronic applications.

There were over 14 new solution (product/system) launches in 2024 across all business lines, targeting multiple end-markets such as Automotive (including E-Mobility), Power, Solar Energy and Motors / Alternators / Generators.

(ii) Benefits derived as a result of the above R & D:

- Some of the new products introduced and process improvements conducted were:
  - New differentiated potting products, and thermal interface materials to address specific needs of the growing E-Mobility segment, including battery systems.
  - Focused on growing new potting systems addressing unique REACH/RoHS compliance needs from customers.
  - Focused on growing the commercialized niche, value-added wire enamels to strengthen market leadership.
  - Strong progress on localization of a global impregnation resin in the e-mobility segment.
  - Cost reduction and process improvement in manufacturing using cost efficient raw materials including solvents.
- Future plan of action:
  - Continued efforts on efficient customer service and improved speed of product development with the newly formed teams keeping in mind the requirements for REACH/RoHS regulations.
  - Continued adaptation of new products from group companies under 'Technology Transfer' in your Company's business segments to cater to the local market.
  - Focus on establishing strength in the portfolio to address strategic markets/applications such as Electronics and E-Mobility.
  - Initiate and continue participation in new global R&D projects for the benefit of local and global customers.
  - Continued participation in the M. Tech training programme for students from local Institute on subjects complementary to your Company's business.
  - Continued focus on efficient formulation and cost management to ensure business continuity and reliability.
  - Focus on additional efforts on process optimization and standardization in material production.
  - Cost reduction based on substitution of raw materials and improvement in process efficiency.
  - Introduction of new raw materials for sustainable product development.

(iii) in case of imported technology (imported during the last three years reckoned from the beginning of the financial year)

- **Technology absorption, adaptation & innovation**

Your Company is engaged in regular technological exchange with its collaborators/affiliates to understand and implement opportunities for cost reduction, product improvement and product substitution suited to meet customer needs.

Information regarding technology acquired through purchase/licensing arrangements during the last three years:

Technology imported	Year of import (Purchase)	Has the technology been fully absorbed	If not, when to be absorbed
VOC free, non-hazardous, versatile one-component unsaturated polyester resin with low emissions	2022	Yes	-
Water Based Varnish for Impregnation	2024	No	2025
Polyesterimide modified system- One component Thixotropic impregnation resin with low emissions	2024	No	2025

The Members,  
Elantas Beck India Limited,  
CIN: L24222PN1956PLC134746  
147, Mumbai-Pune Road, Pimpri,  
Pune – 411018

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by ELANTAS Beck India Limited (“the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The procedure for Secretarial Audit is selected on the Secretarial Auditor’s judgment of material facts of the documents submitted. Our responsibility is to express an opinion on the secretarial compliances of the aforesaid laws done by the Company on the basis of our audit. We have conducted the audit solely on the basis of secretarial compliances and filing done by the Company, under the below mentioned laws.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby make our report on the basis of our opinion during the audit conducted covering the financial year ended on 31<sup>st</sup> December 2024, on various secretarial compliances with statutory provisions listed hereunder and on Board processes and compliance mechanism to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31<sup>st</sup> December 2024, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

2.	Circular Raw Materials and Efficient Waste Management	Opportunity	<b>Opportunity:</b> For us, repurposing and utilizing hazardous waste not only cuts down on the costs linked to waste disposal but also diminishes the need for acquiring fresh raw materials. We are confident that circular economy strategies would lead to product innovation and promote manufacturing with recycling in mind along with retrieval and reuse of waste.	<ul style="list-style-type: none"> <li>We have collaborated with plastic collection &amp; recycling vendors to meet EPR targets.</li> <li>We are also planning to increase our sale of such products where we use Intermediate Bulk Containers (IBCs), as these are reusable in nature.</li> </ul>	<b>Positive:</b> <ul style="list-style-type: none"> <li>Hazardous waste reuse can reduce operational costs.</li> <li>Encouraging recyclability and circular economy initiatives for packing materials can lead to resource efficiency and cost control in the longer run.</li> </ul>
3.	Occupational Health & Safety	Risk	<b>Risk:</b> Unsafe working environment can lead to high workplace injuries and accidents and failure to comply with occupational health and safety regulations can result in legal consequences and fines. Also, frequent accidents or health issues can lead to increased absenteeism and Lost Time Injury (LTI).	<ul style="list-style-type: none"> <li>We have implemented ISO 45001:2018 occupational health and safety standard at both our plants.</li> <li>Our operations are guided by our integrated policy on Quality, Health, Safety &amp; Environment (QHSE) to ensure a safe and healthy working environment across all plants and offices. The Company has in place proactive measures like Hazard Identification and Risk Assessment (HIRA), Hazard and Operability study (HAZOP), Process Safety Management (PSM) and Safety Audits.</li> <li>We have implemented Standard Operating Procedure (SOPs) and safety protocols for all employees and workers to follow, preventing damage to life and property.</li> <li>We provide safety training to employees &amp; workers and conduct regular risk assessments.</li> </ul>	<b>Negative:</b> <ul style="list-style-type: none"> <li>OHS is critical to prevent accidents and casualties. If workplace accidents or health-related problems occur, the associated costs may encompass initial medical care, hospitalization expenses, rehabilitation services, and continuous healthcare for affected employees.</li> <li>Employees who are injured or unwell might need time off for recuperation, leading to reduced efficiency. This can have repercussions on overall productivity and potentially result in missed business opportunities</li> </ul>
4.	Energy Management	Opportunity	<b>Opportunity:</b> Organisations around the world are implementing energy-efficient practices and technologies, leading to significant cost savings in utility bills. We embrace energy management and consider improving our renewable mix which would lower our utility cost in the long run along with carbon footprint reduction	We regularly undertake energy efficiency projects.	<b>Positive:</b> <ul style="list-style-type: none"> <li>Investments in energy-efficient technologies and systems may have an initial cost, but organizations can realize a positive return on investment over time through reduced energy expenses.</li> <li>Energy-efficient equipment often requires less maintenance, leading to lower maintenance costs over the lifecycle of the equipment.</li> </ul>

**b. If yes, what percentage of inputs were sourced sustainably?**

Nearly 40% of inputs were sourced sustainably.

**3. Describe the processes in place to safely reclaim your products for reusing, recycling, and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.**

The Company's manufacturing facilities operate in compliance with Consents to Operate (CTO) and the Hazardous Waste Management Rules. In accordance with these regulations, the Company has diligently reported and accounted for all its waste, including plastic packaging. We try to ensure that solvents and chemicals are reused in the process before being discarded as hazardous waste. All waste generated is subsequently entrusted to authorized waste disposal service providers approved by the State Pollution Control Board. This process ensures the proper and responsible disposal of waste materials.

**4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.**

Yes, EPR is applicable to our activities, and we have registered as brand owner and importer with Central Pollution Control Board (CPCB). We have established the collection plan in line with the EPR plan submitted to Pollution Control Boards. As chemical packaging is hazardous in nature and collection of hazardous packaging material requires significant investments and processes in place to recycle and reuse, therefore, EBIL has collaborated with registered recyclers / Plastic Waste Processors (PWP) to achieve the target.

### Leadership Indicators

**1. Has the entity conducted Life cycle Perspective / Assessments (LCA) for any of its products (for the manufacturing industry) or for its services (for the service industry)? If yes, provide details:**

EBIL proposes to conduct LCA of some of its products in the coming years. This will allow us to acquire a comprehensive idea of the environmental effects of our products at every stage of their existence. Through the implementation of LCA we aim to pinpoint areas for enhancement, with the goal of reducing the ecological impact of our products and advancing their sustainability.

NIC Code	Name of Product / Service	% of total Turnover contributed	Boundary for which the Life Cycle Perspective / Assessment was conducted	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No) If yes, provide the web-link.
No					

2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.

Name of Product / Service	Description of the risk / concern	Action Taken
No		

3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).

Indicate input material	Recycled or re-used input material to total material

In our production process, solvents used in Wire Enamels are recovered and re-used in subsequent production batches. Part of the solvent is sold in the market depending on its quality.	1.48%	1.45%

4. Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed:

We reclaim and reuse the intermediate bulk container or totes, which are reusable in nature, used for sale of wire enamels. For products sold in plastic or metal containers, as they contain hazardous chemicals which are used / consumed by other organisations and industries, it is not reclaimed by us.

Additionally, we train our customers on ways to safely dispose as per the applicable standards and regulations.

## 10. Health and safety management system:

- a. **Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system**

Yes, both of our plants have obtained ISO 45001:2018 certification, demonstrating our commitment to implementing effective health and safety management practices in the workplace. Our health and safety management system aims to minimize risks to employees, visitors, and external contractors on the premises, thereby reducing incidents within our Company. It includes clear instructions and safety protocols for all employees and workers to follow, ensuring the prevention of damage to life and property.

Weblink for accessing our QEHS Policy: <https://www.elantas.com/beck-india/financial-documents/corporate-governance-report.html>

- b. **What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?**

The Company has in place Hazard Identification and Risk Assessment (HIRA), Permit to Work (PTW), and Lock Out Tag Out (LOTO) procedure in a cohesive manner, providing a comprehensive approach to identify hazards, assess risks, implement control measures, ensure compliance, and drive continuous improvement. As a result, EBIL has fostered a safety-conscious culture, leading to zero accidents and injuries, enhanced protection for personnel and assets, and improved overall operational efficiency. The Company has tailored its safety training programmes to address specific hazards associated with each job. This approach ensures that employees are equipped with the necessary knowledge and skills to perform their tasks safely and effectively.

**c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Yes/ No)**

Yes, the Company has established procedures to enable workers to report any work-related hazards they encounter and take appropriate actions to remove themselves from such risks. The processes for raising concerns or providing feedback can be done by direct interaction with the factory manager or safety officer.

**d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No).**

Yes, employees / workers have access to non-occupational medical and healthcare services as we provide health insurance to all our employees and workers ensuring that ideal support and services are provided in case of any unforeseen event.

**11. Details of safety related incidents:**

Safety Incident/Number	Category	FY 2024	FY 2023
Lost Time Injury Frequency Rate (LTIFR) per one million-person hours worked)	Employees	0	0
	Workers	0	0

	Workers	0	0
No. of fatalities	Employees	0	0
	Workers	0	0
High consequence work-related injury or ill-health (excluding fatalities)	Employees	0	0
	Workers	0	0

In 2024, no employees or workers working at EBIL had any minor / major incidents resulting in any Lost Time Injury.

**12. Describe the measures taken by the entity to ensure a safe and healthy workplace.**

We have taken several measures to ensure a safe and healthy working environment for all employees, workers, and other stakeholders such as visitors. Some key measures implemented at our plants to ensure a safe and healthy workplace are as follows:

- a) Provision of Personal Protective Equipment (PPE):** We ensure that all the employees and workers working in our plants have access to appropriate PPE to protect themselves from potential hazards.
- b) Regular 5S (Sort, Set in order, Shine, Standardize, and Sustain) and Safety Audits:** We conduct periodic audits, including 5S and safety audits, to evaluate and improve the overall safety standards within the Company.
- c) Effective Permit to Work (PTW) System:** The Company has implemented a PTW system to ensure that non-routine work activities are authorized, monitored, and conducted safely.
- d) Installation of a Complete Fire Hydrant System:** Fire hydrant systems are installed at key locations with fire extinguishers to effectively address fire-related risks. Recently, we also had a fire safety audit by an external agency to identify possible gaps in our safety practices and address the same.
- e) Availability of Safe Emergency Assembly Area:** A designated emergency assembly area is provided to ensure the safe gathering of individuals.

- f) **Defined Safety and Health Standard Operating Procedures (SOPs):** The Company has established clear and communicated SOPs related to safety and health, ensuring that employees are aware of and adhere to safety protocols.
- g) **Health and Safety Trainings and Mock Drills:** The Company conducts regular health and safety training as well as mock drills at all locations to prepare employees and workers for emergency situations and reinforce safety practices.

By implementing these measures, we aim to create a safe and healthy work environment that prioritizes the well-being and safety of all individuals associated with the Company.

**13. Number of Complaints on the following made by employees and workers:**

Employees	0	0	0	0
Workers	0	0	0	0

4. Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/ No)

No, we currently do not have a transition assistance program for our employees, who are in the separation stage, but we are assessing the programmes that we could offer in the upcoming years to facilitate continued employability due to career endings resulting from retirement or employment termination.

5. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Health and safety practices	49.78%
Working Conditions	49.78%

We currently evaluate our customers and suppliers on various environmental and social parameters, including health and safety practices and working conditions, during the onboarding process. We intend to conduct yearly assessments of selected value chain partners.

6. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners.

No significant risks/concerns were identified based on our assessments of health and safety practices and the working conditions of our new suppliers.

**PRINCIPLE 4 Businesses should respect the interests of  
and be responsive to all its stakeholders**

**Essential Indicators**

**1. Describe the processes for identifying key stakeholder groups of the entity.**

EBIL defines its key stakeholders as those who are significantly impacted by the company's operations, or those who can significantly impact the company's operations and activities. Regular engagement with these stakeholders helps the Company in understanding their needs and expectations, review the same internally and imbibe these in developing strategies, plans & business activities.

While stakeholder engagement is a part of day-to-day routine, over the years, the company has engaged with the following ten major stakeholder groups that influence or are influenced by EBIL activities:

a. Shareholders b. Government c. Policy makers d. Law enforcers e. Regulators f. Dealers and Distributors g. Customers h. Bank/Financial Institutions i. Employees j. Insurers k. External providers (Suppliers), Contractors (Onsite) l. Local residents/ Communities

The Company engages with them through multiple channels such as formal meetings, customer helplines, industry forums, dealer / distributor / conventions, surveys amongst others.

**2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.**

## Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such

## consultations provided to the Board.

Stakeholder consultations are typically undertaken by respective groups, business heads and relevant company officers. The feedback / identified issues of corporate concern are escalated to the Board-level either through direct channels or through various Board Committees which oversee aspects like business risks, CSR & sustainability, Marketing Strategies & Information Technology Oversight, Planning & Projects, Dispute Settlement etc.

## 2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, Stakeholder consultation is indeed crucial for identifying areas of improvement in corporate environmental and social efforts.

- While undertaking CSR activities, feedback is obtained from relevant stakeholders such as the community, regulatory bodies, and the local public.
- EBIL continuously implements measures to enhance its products, making them more economical, efficient, effective, and sustainable, in consultation with key stakeholders.

## 3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalized stakeholder groups.

We address the concerns and requirements of vulnerable and marginalized stakeholders' groups by undertaking CSR projects related to providing educational support to Children.

- 1) Under the project, 'Surrajya Sarvangin Vikas Prakalp,' we supported running study centers: Abhyasika to help students from Class 1 to Class 10 belonging to underprivileged community.
- 2) Under the project, 'Maharshi Karve Shikshan Sanstha', we supported educational fees of girls from underprivileged sections.
- 3) Under the project with 'Symbiosis', we supported girls belonging to underprivileged community to impart training and education to the youth to enhance manufacturing skills and technologies for gainful employment in industry.
- 4) Under the project with 'Medallion Shooting Foundation', we supported talented students - athletes belonging to underprivileged community through their academic journey and provide an opportunity to excel in shooting.

## 4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes, human right related issues can be raised to the human resource managers/community grievance redressal officers. A dedicated committee is formed to address human rights issues and resolve stakeholder concerns.

## 5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

EBIL has established mechanism to effectively address grievances related to human rights. This mechanism includes institutional structure such as the Grievance Redressal Committee. Any individual who believes that he/she has been discriminated against as per the policy shall bring his/her grievances to HR manager in writing/in person. EBIL will ensure that all the grievance reported is well addressed. Our Stakeholder Grievance Redressal Policy provides details of grievance redressal and escalation mechanism. These structures are in place to ensure that grievances pertaining to human rights are promptly and appropriately addressed within the Company.

**6. Number of Complaints on the following made by employees and workers:**

	FY 2024			FY 2023		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	0	0	-	0	0	-
Discrimination at workplace	0	0	-	0	0	-
Child Labour	0	0	-	0	0	-
Forced Labour/ Involuntary Labour	0	0	-	0	0	-
Wages	0	0	-	0	0	-
Human Rights Issues	0	0	-	0	0	-

**7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:**

	2024	2023
Total Complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)	0	0
Complaints on POSH as a % of female employees / workers	0	0
Complaints on POSH upheld	0	0

**8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.**

The Company upholds and guarantees complete confidentiality for the complainant both during and after the resolution of their grievances. Typically, Senior Members of the Company are responsible for addressing these complaints. The individuals managing these complaints maintain strict confidentiality to safeguard the complainant, not only during the process but also after the complaint has been resolved. The complainant is shielded from any adverse actions, including but not limited to harassment, unjust termination of employment, demotion, suspension, and biased treatment.

**9. Do human rights requirements form part of your business agreements and contracts? (Yes/No)**

Yes, human rights requirements form part of your business agreements and contracts as per our Sustainable Procurement Policy.

**10. Assessments for the year:**

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	100%
Forced/involuntary labour	100%
Sexual harassment	100%
Discrimination at workplace	100%
Wages	100%

In FY 2024, we conducted an internal assessment of all our plants and facilities on human rights matters, including sexual harassment, workplace discrimination, child labor, forced labour, and low wages.

**11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.**

Not Applicable

**Leadership Indicators**

**1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.**

During the reporting period, no new business processes were modified or introduced for addressing human rights grievances/complaints.

**2. Details of the scope and coverage of any Human rights due diligence conducted.**

Our internal assessment of human rights due diligence covered all our plants and facilities. This comprehensive review focused on critical areas such as sexual harassment, workplace discrimination, child labour, forced labour, and low wages. The assessment confirmed that our facilities and plants are fully compliant with our Code of Conduct, and no human rights violations were reported.

**3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?**

Currently, we are in the process of reviewing the changes required in our infrastructure to make our premises and offices accessible to the differently abled visitors.

**4. Details on assessment of value chain partners:**

	% of value chain partners (by value of business done with such partners) that were assessed
Child labour	49.78%
Forced/involuntary labour	49.78%
Sexual harassment	49.78%
Discrimination at workplace	49.78%
Wages	49.78%

We are currently evaluating our new suppliers on various environmental and social parameters, including human rights, during the onboarding process. we have also started conducting annual assessments. based on a self-assessment questionnaire for our suppliers, covering criteria such as sexual harassment, workplace discrimination, child labour, forced/involuntary labour, and wages.

**5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.**

No significant risks/concerns related to human rights such as sexual harassment, discrimination at workplace, child labour, forced labour / involuntary labour or wages were identified based on our assessments.

**PRINCIPLE 6 Businesses should respect and make efforts to protect and restore the environment**

**Essential Indicators**

**1. Details of total energy consumption (GJ) and energy intensity:**

<b>Energy intensity in terms of physical output</b> (Total energy consumption / Production in metric tonne) (GJ/MT of production)	<b>2.129</b>	<b>2.124</b>

\*Note: For India, the PPP conversion factor is taken as 20.29 for 2024 and 20.2 for 2023, as per the International Monetary Fund (IMF- World Economic Outlook, October 2024).

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency?**

No

**2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.**

No, PAT scheme is not applicable to the company.

**3. Provide details of the following disclosures related to water:**

Parameter	FY 2024	FY 2023
<b>Water withdrawal by source (in kilolitres)</b>		
(i) Surface water	-	-
(ii) Groundwater	10445.40	8137.40

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.**

No

**5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.**

EBIL recognises the importance of water for our overall business continuity and fully understand the impacts of untreated wastewater on the environment. In Pimpri plant, effluent is treated in ETP, and the treated water is used for gardening in factory premises. In Ankleshwar plant, treated water is sent to CETP (Central ETP of GIDC)

**6. Please provide details of air emissions (other than GHG emissions) by the entity:**

Parameter	Please specify unit	FY 2024	FY 2023
NOx	Metric Tonnes	7.29	7.29

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency**

No

**8. Does the entity have any project related to reducing Green House Gas emission? If yes, then provide details.**

Yes, it is always the endeavour of EBIL to ensure continual improvement in reduction of GHG emissions. In FY 2024, we implemented numerous energy and fuel-saving initiatives at our manufacturing sites to improve our environmental impact. These initiatives include:

- Switching from vacuum transfer of raw materials and intermediates to gear pumps.
- Replacing diesel forklifts with electric forklifts at both manufacturing sites.
- Replacing water-cooled pumps with air-cooled hot oil pumps.
- Replacing fluorescent lights with LED lights.
- Eliminating the use of compressed air in the finished goods packing process by using pumps.
- Installing a modern energy-efficient chilled water plant and a new blower for the Effluent Treatment Plant (ETP) at the Ankleshwar Plant.
- Automating packing lines, resulting in reduced cycle times and power savings.

These measures have significantly contributed to reducing our greenhouse gas emissions and enhancing our overall energy efficiency.

**9. Provide details related to waste management by the entity:**

Parameter	FY 2024	FY 2023
<b>Total Waste generated (in metric tonnes)</b>		
Plastic waste (A)	49	44
E-waste (B)	0	0.2

\*Note: For India, the PPP conversion factor is taken as 20.29 for 2024 and 20.2 for 2023, as per the International Monetary Fund (IMF- World Economic Outlook, October 2024).

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency?**

No

**10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.**

Waste generated within the factory during various departmental operations is categorized

accordingly. Depending on its form, the waste is segregated at the source and collected in either closed or open-top MS drums, which are placed at designated locations. Paper waste is collected separately in specific bags. A color-coding system is implemented for easy visual identification. The storage and disposal of waste are conducted in compliance with applicable regulations.

- 11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/clearances are required, please specify details:**

Not Applicable. The Company does not have any operations / offices in / around ecologically sensitive areas.

- 12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:**

Not Applicable. The Company has not undertaken any projects that require an Environmental Impact Assessment (EIA).

- 13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India, such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder. If not, provide details of all such non-compliances:**

Yes, the Company is compliant with all the environmental rules and regulations. On March 6, 2019, the Company was directed for closure of its operations in Ankleshwar by the Gujarat Pollution Control Board (GPCB) due to a suspected ground water contamination issue. The GPCB through its subsequent orders had granted temporary revocation of the closure order until 23<sup>rd</sup> July, 2025. The Company has represented to the GPCB for a permanent revocation of the closure order and based on the remediation done the Company is expecting a positive outcome. The Company has also installed a Groundwater Treatment System (GTS) for treating and replenishing the groundwater.

Sr. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken - if any
Not Applicable.				

## Leadership Indicators

- 1. Water withdrawal, consumption, and discharge in areas of water stress (in kilolitres):**

**We do not have any operations in water stress areas.**

For each facility / plant located in areas of water stress, provide the following information:

- (i) Name of the area: -
- (ii) Nature of operations: -
- (iii) Water withdrawal, consumption, and discharge: -

Parameter	FY 2024	FY 2023
<b>Water withdrawal by source (in kilolitres)</b>

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Not Applicable

## 2. Please provide details of total Scope 3 emissions & its intensity:

Parameter	Unit	FY 2024	FY 2023
<b>Total Scope 3 emissions</b> (Break-up of the GHG into CO <sub>2</sub> , CH <sub>4</sub> , N <sub>2</sub> O, HFCs, PFCs, SF <sub>6</sub> , NF <sub>3</sub> , if available)	Metric tonnes of CO <sub>2</sub> equivalent	Presently, the Company does not track these details. However, we look forward to monitoring the same in the future.	
<b>Total Scope 3 emissions per rupee of turnover</b>			
<b>Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity</b>			

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No

3. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Not applicable since we do not have any operations in ecologically sensitive areas.

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives:

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1	Process Safety Management (PSM)	Continued implementation of robust PSM, with significant progress in both phases.	Enhanced safety and operational efficiency.
2	Increased Automation	Implemented automation to improve safety, energy savings, and productivity.	Improved safety, energy efficiency, and productivity.
3	Process Improvements	De-bottlenecking measures and process improvements in production lines.	Significant productivity improvements.
4	Capacity Expansion	Expanded capacity with state-of-the-art technology machinery.	Met increased market demand.
5	EHS Enhancements	Conducted safety audits and risk assessments, followed by implementation of recommendations.	Enhanced Environmental, Health, and Safety (EHS) standards.
6	Operational Excellence Projects	Utilized lean management tools like Lean Six Sigma, Kaizens, and 5S.	Improved operational efficiency and excellence.
7	Energy Efficient Cooling Tower	Installed a new energy-efficient cooling tower.	Increased energy savings, productivity, and yield.
8	Power Savings in ETP	Achieved power savings through value engineering and Kaizen initiatives.	Substantial power savings and improved efficiency.
9	Automated Packing Lines	Automated packing lines for filling drums.	Reduced cycle times and power savings.
10	Energy Efficient Gear Drives	Installed energy-efficient gear drives for agitators.	Considerable energy savings.
11	Energy Efficient Pumps	Replaced booster water pumps with energy-efficient models.	Improved energy efficiency.
12	LED Lighting	Replaced fluorescent lights with LED lights.	Reduced energy consumption.
13	Green & Black Belt Projects	Implemented several Green and Black Belt projects along with Kaizens.	Enhanced operational efficiencies and energy conservation.
14	Gear Pump for RM Transfer	Transferred raw materials and intermediates using gear pumps.	Eliminated vacuum operations and improved efficiency.

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Yes, EBIL has implemented a robust business continuity and disaster management plan. The purpose of this plan is to allow for Continuity of Business Operations at all facilities of EBIL in the event of an emergency. The plan provides details of responsibilities, communication, preparedness, continuity process, safety procedures, drill. The plan also provides emergency actions for hazards such as fire, earthquake, flood, and cyclones. These are aimed primarily at serving as guidance for the Emergency Response Teams at plant level who are responsible for managing the employees to safety during times of crisis.

6. **Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard?**

Nil

7. **Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.**

We are currently evaluating our new suppliers on various environmental parameters. We have developed a self-assessment questionnaire for all our suppliers to assess on environmental parameters.

**PRINCIPLE 7 Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.**

### Essential Indicators

1. a. **Number of affiliations with trade and industry chambers/ associations.**

We are currently part of five trade and industry chambers/ associations.

- b. **List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.**

Sr. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/National)
1	Maharatta Chamber of Commerce, Industries and Agriculture	State
2	Indo-German Chamber of Commerce	National
3	Ankleshwar Industries Association	State
4	Federation of Indian Chambers of Commerce & Industry	National
5	Indian Electrical and Electronics Manufacturers Association	National

2. **Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities**

EBIL has not received any adverse order from any regulatory authority.

Name of authority	Brief of the case	Corrective action taken
Nil		

### Leadership Indicators

1. **Details of public policy positions advocated by the entity**

Sr. No.	Public policy advocated	Method resorted for such advocacy	Whether information available in public domain? (Yes/No)	Frequency of Review by Board (Annually/ Half yearly/ Quarterly / Others – please specify)	Web Link, if available
No					

There were no public policy positions advocated by the entity in FY 2024.

## PRINCIPLE 8: Businesses should promote inclusive growth and equitable development

### Essential Indicators

1. **Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.**

In FY 2024, we have not conducted any Social Impact Assessments (SIA) as there were no projects undertaken by the entity which required an SIA.

Name and brief details of project	SIA Notification No.	Date of Notification	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Not Applicable					

2. **Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity:**

Our operations and expansion projects have not resulted in the displacement of any population or their livelihoods. As a result, we have not undertaken any Rehabilitation and Resettlement (R&R) activities.

Sr. No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (In INR)
Not Applicable						

3. **Describe the mechanisms to receive and redress grievances of the community.**

All grievances are addressed in accordance with our Stakeholder Grievance Redressal Policy. Stakeholders can register their grievances via email, phone, or in writing. Each grievance is acknowledged by the designated stakeholder contact officer of the Company, specifically the Person-in-Charge of CSR. This officer is responsible for investigating the concern and may form a team for investigation if necessary.

Based on the investigation findings, the team creates an action plan outlining the steps to resolve the grievance. The team assigns roles and responsibilities for implementing and monitoring the actions and ensures adherence to the committed timelines. The resolution and closure of the complaint are documented via email, providing stakeholders with an opportunity to share their feedback on the resolution. If the stakeholder is not satisfied with the resolution, they may escalate their grievance to the next level using the escalation matrix.

We also have internal procedures in place to ensure compliance with the Stakeholder Grievance Redressal Policy and to monitor its implementation.

4. **Percentage of input material (inputs to total inputs by value) sourced from suppliers:**

	FY 2024	FY 2023
Directly sourced from MSMEs/ small producers	14.57%	15.29%
Directly from within India	69.98%	75.05%

5. **Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost**

Location	FY 2024	FY 2023
Rural	0	0
Semi-urban	14%	13%
Urban	0	0
Metropolitan	86%	87%

## Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken

## ANNEXURE G

### Report on Corporate Governance

#### 1. **ELANTAS Beck's philosophy on Corporate Governance:**

At ELANTAS Beck, the goal of Corporate Governance is to ensure fairness to every stakeholder. The Company believes that sound Corporate Governance is important in order to enhance stakeholders' trust. Company also believes that timely compliances with the requirements of the applicable regulations, including the Companies Act, 2013 ("the Act") and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") are ways and means for attaining this trust.

The Company's governance framework is based on its effective independent Board, separation of Board's supervisory role from the executive management team and constitution of the Committees of Board, as required under law. The Board is duly constituted in compliance with the provisions of the Act and SEBI Listing Regulations as amended, as applicable. The Board functions either directly or through various Committees constituted to oversee specific operational areas and regulatory compliances. "Corporate Governance" pertains to framework of rules, systems and processes within and by which authority is exercised and controlled within the Company.

The Compliance Report on Corporate Governance herein signifies, amongst others, adherence by the Company of all the mandatory requirements of Regulation 34 (3) and Schedule V of the SEBI Listing Regulations.

#### 2. **Board of Directors (Board)**

##### **(a) Composition and functioning:**

The Composition of the Board of your Company is a fair mix of eminent Executive, Non-Executive, and Independent Directors, which is appropriate for the size and operations of your Company and is compliant with the applicable rules and guidelines.

As on the date of the report the Board comprises of seven Directors. Mr. Anurag Roy is Managing Director of the Company, Mr. Martin Babilas, Mr. Stefan Genten (acting as alternate Director to Mr. Martin Babilas) and Mr. Ravindra Kumar are Non-Executive Directors, Mr. Nandkumar Dhekne, Mrs. Usha Rajeev and Mr. Sujjain Talwar are Non-Executive Independent Directors. Mrs. Usha Rajeev is a Non- Executive Independent Woman Director. The Chairperson Mr. Martin Babilas is a Non-Executive Director.

After nearly decade of association with the Company, Mr. Ranjal L Shenoy (DIN:00074761) had completed his second term of 5 (five) consecutive years as an Independent Director and ceased to be Director of the Company, with effect from close of business hours on 31<sup>st</sup> March, 2024.

Mr. Srikumar Ramakrishnan (DIN: 07685069) stepped down as Managing Director and Key Managerial Personnel ("KMP") with effect from the close of the business hours of 31<sup>st</sup> January, 2025 as he moved to a new leadership position overseas within the ALTANA group and there were no material reasons for his resignation. Mr. Anurag Roy (DIN: 07444595) was appointed as an Additional Director and Managing Director of the Company for term from 01<sup>st</sup> February, 2025 to

31<sup>st</sup> December, 2027. The said appointment is proposed for the shareholders' approval through postal ballot which will conclude on 08<sup>th</sup> March, 2025.

As on the date of this report, all Directors of the Company meet the criteria of maximum number of Directorship(s), Committee Membership(s)/ Chairpersonship(s) as laid down in the Act and SEBI Listing Regulations.

The Managing Director is involved in the day-to-day management of the Company, while the Non-Executive Directors and Independent Directors bring in the external perspective and provide valuable guidance to the management on various aspects of business, policy direction, governance, compliance etc. and independence in decision making.

### **Board Meetings:**

During the Financial Year ended 31<sup>st</sup> December 2024 four (4) Board Meeting were held i.e. on 20<sup>th</sup> February, 2024, 07<sup>th</sup> May, 2024, 06<sup>th</sup> August, 2024 and 28<sup>th</sup> October, 2024.

The time interval between two Board meetings was less than one hundred and twenty days, i.e. gap permitted under the Act and the SEBI Listing Regulations. All material information was circulated to the Directors before the meeting or placed at the meeting, including minimum information required to be made available to the Board of Directors as prescribed under Part-A of Schedule II of sub-regulation 7 of Regulation 17 of the SEBI Listing Regulations.

The Board meets at regular intervals to discuss and decide on the business policy and strategy of the Company apart from other Board business. However, in case of urgent matters, the Board's approval is obtained by passing resolutions by circulation, as permitted by law, which are noted in the subsequent Board meetings.

Usually, meetings of the Board are held in Mumbai/Pune. Video conferencing facilities are used to enable the Directors to participate in the meeting as per their convenience. The notice, agenda and supplementary documents are circulated well in advance before each meeting, to all Directors, for facilitating effective discussion and decision making. Considerable time is spent by the Directors on discussions and deliberations at the Board meetings.

The Company Secretary & Compliance Officer is responsible for preparation of the agenda including background papers and convening of the Board and Committee meetings. The Company Secretary & Compliance Officer attends all meetings of the Board and its Committees, advises and assures the Board on compliance and governance principles and ensures appropriate recording of minutes of the meetings.

## 7. Means of Communication:

The Company, from time to time and as may be required, communicates with its Shareholders and investors through multiple channels of communications such as dissemination of information on the on-line portal of the Stock Exchanges, press releases, the Annual Reports and uploading relevant information on its website.

### i) Financial Results and Statements:

The unaudited quarterly results are announced within forty-five days from the end of the quarter. The audited annual results are announced within sixty days from the closure of financial year as required under SEBI Listing Regulations. The aforesaid financial results are communicated to the Stock Exchange within thirty minutes from the close of the Board Meeting at which these were considered and approved. The results are generally published in Free Press Journal (English edition in Mumbai) and Loksatta (Marathi edition in Pune) & Navashakti (Marathi edition in Mumbai), which is a regional (Marathi) daily newspaper. The audited financial statements form part of the Annual Report which are sent to the Members within the statutory period and well in advance of the AGM.

The Annual Report of the Company, the quarterly / half yearly and the yearly financial results and the yearly financial statements and the press releases of the Company are also disseminated on the Company's website <https://www.elantas.com/beck-india/financial-documents/financial-information/unaudited-financial-results/annual-report.html> and can be downloaded and also informed to the Stock Exchange.

### ii) Presentations, Press Releases:

The presentations on the performance of the Company and press releases are placed on the Company's website immediately after these are communicated to the Stock Exchange for the benefit of the Institutional Investors and analysts and other Shareholders.

### iii) Material Information:

The Company discloses to the Stock Exchange, all information required to be disclosed under Regulation 30 read with Part A of Schedule III of the SEBI Listing Regulations including material information having a bearing on the performance / operations of the listed entity or other price sensitive information. This information is also available on the website of the Company.

### iv) Online filing:

All information is filed electronically on BSE's online Portal – BSE Corporate Compliance & Listing Centre (Listing Centre).

### v) SCORES:

Facility has been provided by SEBI for investors to place their complaints / grievances on a centralized web- based complaints redressal system viz. SEBI Complaints Redress System (SCORES). The salient features of this system are: Centralized database of all complaints, online upload of Action Taken Reports (ATRs) by the concerned companies and online viewing by investors of actions taken on the complaint and its current status.

As per the SEBI circular, the Company has also registered itself for Online Disputes Resolution (ODR). Online Dispute Resolution (ODR) refers to the resolution of disputes, conflicts, or disagreements that arise between parties through online platforms or digital means, rather than through traditional face-to-face interactions or legal proceedings. ODR utilizes technology to facilitate communication, negotiation, and resolution processes.

## Auditors' Certificate regarding compliance of conditions of Corporate Governance

To the Members of **ELANTAS Beck India Limited**

1. This certificate is issued in accordance with the terms of our agreement dated February 12, 2025.
2. The accompanying Statement containing the details of compliance with the conditions of Corporate Governance of M/s. ELANTAS Beck India Limited (the "Company") for the year ended December 31, 2024 (the "Statement") has been prepared by the Management of the Company in connection with the requirements for the Company's compliance with the conditions of Corporate Governance set out in Regulations 17, 17A, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 26A, 27 and clauses (b) to (i) and (t) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V ("the Conditions of Corporate Governance") in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ("the SEBI Listing Regulations, 2015"), pursuant to the request received from Ms. Anuja Joshi (Deputy Manager - Legal and Secretarial) vide email dated February 04, 2025 (the 'Request') as per requirement of para E of Schedule V of SEBI Listing Regulations, 2015 ('Requirement').

### Management's Responsibility for the Statement

3. The preparation of the Statement is the responsibility of the Management of the Company including the creation and maintenance of all accounting and other records supporting its contents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the Company's compliance with the Conditions of Corporate Governance listed in SEBI Listing Regulations, 2015.
4. The Management is also responsible for ensuring that the Company complies with the Conditions of Corporate Governance in the SEBI Listing Regulations, 2015, and that it provides complete and accurate information as requested.

### Auditors' Responsibility

5. Pursuant to the Request, it is our responsibility to examine the Statement and the underlying audited books of account and records of the Company and certify whether the Company has complied with the Conditions of Corporate Governance as stipulated in SEBI Listing Regulations, 2015, as set out in the Statement.
6. The financial statements relating to the books of account and records referred to in paragraph 5 above have been audited by us pursuant to the requirements of Companies Act, 2013, on which we issued an unmodified audit opinion vide our report dated February 18, 2025. Our audit of these financial statements has been conducted in accordance with the Standards on Auditing referred to in Section 143(10) of the Companies Act, 2013 and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India ("ICAI"). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.
7. We conducted our examination in accordance with the 'Guidance Note on Reports or Certificates for Special Purposes' and, to the extent considered applicable, the 'Guidance Note on Certification of Corporate Governance' both issued by the ICAI. The 'Guidance Note on Reports or Certificates for Special Purposes' requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
8. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1 'Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements'.
9. Our examination, as referred to in paragraph 7 above, is neither an audit nor an expression of opinion on the financial statements of the Company.

## Conclusion

10. Based on our examination as set out in paragraphs 7 and 9 above and the information and explanations given to us, we certify that the Company has complied with the Conditions of Corporate Governance as stipulated in SEBI Listing Regulations, 2015, as set out in the Statement.
11. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## Independent Auditors' Report

To the Members of ELANTAS Beck India Limited  
Report on the Audit of the Financial Statements

### Opinion

1. We have audited the accompanying financial statements of Elantas Beck India Limited (the "Company"), which comprise the Balance Sheet as at December 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at December 31, 2024, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key audit matters

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
<b>Recognition of Revenue:</b> (Refer Note 1 and 24 to the Financial Statements). The Company recognizes revenue in accordance with Ind AS 115 "Revenue from Contracts with Customers". The Company's revenue from sale of goods is recognized when control of the goods is transferred to the customer and there remains no unfulfilled performance obligation. Revenue is measured at transaction price received or receivable, after deduction of any discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax etc.	<b>Our audit procedures included :</b> <ul style="list-style-type: none"><li>• Obtaining an understanding, evaluating the design and testing the operating effectiveness of key controls over revenue recognition process including contract monitoring, billings and approvals;</li><li>• Testing whether recognition of revenue is in line with the terms of customer contracts and in accordance with the Company's accounting policy for recognition of revenue;</li></ul>
We have considered recognition of revenue as a key audit matter as there exists a risk of material misstatement considering significance of the amounts	<ul style="list-style-type: none"><li>• Assessing whether transaction price received or receivable has been determined appropriately in terms of the customer contracts, reviewing</li></ul>

involved and exercise of judgement in recognition of revenue in accordance with the terms of customer contracts and detailed disclosures required to be made in accordance with the applicable accounting standards.	<p>customer correspondence and ensuring that the revenue is recognised in the correct period;</p> <ul style="list-style-type: none"> <li>• Performing risk based testing of journal entries in revenue; and</li> <li>• Evaluating adequacy of the presentation and disclosures.</li> </ul> <p>Based on the above stated procedures, we did not identify any significant exceptions in recognition of revenue and its presentation and disclosure as per the applicable accounting standards.</p>

## Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## Responsibilities of Management and those charged with governance for the Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditors' Responsibilities for the audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other legal and regulatory requirements**

13. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ("the Rules"). (Also, refer note 42 to the financial statements).
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors as on December 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on December 31, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 14(b) above on reporting under Section 143(3)(b) of the Act.
  - (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
  - (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer note 34(a) to the financial statements.
- ii. The Company was not required to recognise a provision as at December 31, 2024 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at December 31, 2024.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.
- iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in note 43(vi) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 43(vi) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. Based on our examination, which included test checks, the Company has used two accounting software for maintaining its books of account:
  - a) In respect of the core accounting software used by the Company, which has a feature of recording audit trail (edit log) facility has operated throughout the year for all relevant transactions recorded in the software, except for certain information or data recorded in the software and modification by certain users with specific access, for the period January 01, 2024 to September 27, 2024.

The audit trail feature was not enabled at the database level to log any direct data changes for the period January 01, 2024 to October 08, 2024 and for the remaining

period of the year while this was enabled, the audit log of modification does not contain pre-modified values. However, based on our audit procedures, we did not notice any modification in the audit logs.

Further, during the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with. (Also, refer note 42 to the financial statements).

- b) The other accounting software (MS Excel) used by the Company did not have a feature of audit trail (edit log) facility and, therefore, the question of our commenting on whether the audit trail had operated during the year or was tampered with, does not arise. (Also, refer note 42 to the financial statements).

- 15. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

## **Annexure A to Independent Auditors' Report**

Referred to in paragraph 14(g) of the Independent Auditors' Report of even date to the Members of ELANTAS Beck India Limited on the financial statements for the year ended December 31, 2024.

### **Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-Section 3 of Section 143 of the Act**

1. We have audited the internal financial controls with reference to financial statements of Elantas Beck India Limited (the "Company") as of December 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to financial statements**

6. A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the

preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at December 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

## Annexure B to Independent Auditors' Report

Referred to in paragraph 13 of the Independent Auditors' Report of even date to the Members of ELANTAS Beck India Limited on the financial statements as of and for the year ended December 31, 2024.

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.  
(B) The Company is maintaining proper records showing full particulars of Intangible Assets.
- (b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3, 4 and 14 to the financial statements, are held in the name of the Company.
- (d) The Company has chosen cost model for its Property, Plant and Equipment (including Right of Use assets) and intangible assets. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) or intangible assets does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise. (Also, refer note 43(i) to the financial statements).
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During the year, the Company has not been sanctioned working capital limits in excess of INR 5 crores, in aggregate from banks and financial institutions on the basis of security of current assets and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.
- iii. (a) The Company has made investments in 13 mutual fund companies. (Also, refer note 6 to the financial statements).

- (b) In respect of the aforesaid investments, the terms and conditions under which investments were made are not prejudicial to the Company's interest.
- (c) The Company has not granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, professional tax, employees' state insurance, income tax, service tax, duty of customs, cess and other material statutory dues, as applicable, with the appropriate authorities. Also, refer note 34(a) to the financial statements regarding management's assessment on certain matters relating to provident fund.
- (b) The particulars of statutory dues referred to in sub-clause (a) as at December 31, 2024 which have not been deposited on account of a dispute, are as follows:

Name of statute	Nature of dues	Gross amount (INR in Lakhs)	Paid under protest (INR in Lakhs)	Net amount (INR in Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Finance Act, 1994	Service Tax	117.26	-	117.26	FY 2005-2008	Dy Commissioner, Mumbai
Income Tax Act, 1961	Income Tax	43.42	8.69	34.73	AY 2018-2019	Commissioner of Income Tax (Appeals), Pune
		25.89	5.19	20.70	AY 2019-2020	Commissioner of Income Tax (Appeals), Pune
		18.76	3.76	15.00	AY 2020-2021	Commissioner of Income Tax (Appeals), Pune

- viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. (a) As the Company did not have any loans or other borrowings from any lender during the year, the reporting under clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short-term basis. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.
- xiv. (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business
- (b) The reports of the Internal Auditor for the period under audit have been considered by us
- xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

- (b) The Company has not conducted non-banking financial or housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
  - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)( c ) of the Order is not applicable to the Company.
  - (d) Based on the information and explanations provided by the management of the Company, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios (Also, refer note 41 to the financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- xx. As at balance sheet date, the Company does not have any amount remaining unspent under Section 135(5) of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

**Corporate Information:**

Elantas Beck India Limited (the “Company”) is a public limited Company domiciled in India and was incorporated on March 15, 1956 under the provisions of the Companies Act, 1956. It is listed on the Bombay Stock Exchange (BSE). The Company is a subsidiary of Elantas GmbH, based in Germany. Elantas GmbH is part of Altana Group whose Ultimate Holding Company is SKion GmbH. The registered office of the Company is situated at 147, Mumbai-Pune Road, Pimpri, Pune, Maharashtra - 411 018.

The Company manufactures a wide range of specialty chemicals for electrical insulation and construction industries. It has manufacturing plants at Pimpri and Ankleshwar in India.

**1. Material accounting policies:**

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(a) Basis of preparation**

**(i) Compliance with Ind AS**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the “Act”) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The Board of Directors have authorized these financial statements for issue on February 18, 2025.

**(ii) Historical cost convention**

The financial statements have been prepared on a historical cost basis, except for the following:

- a. Certain financial assets and liabilities which are measured at fair value;
- b. Defined benefit plans - plan assets measured at fair value.

The financial statements are presented in Indian Rupees in Lakhs, except when otherwise indicated.

**(iii) Current/ Non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company’s operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

**(b) Revenue recognition**

The Company manufactures a wide range of specialty chemicals for electrical insulation and construction industries, which includes Primary Insulation, Secondary Insulation and Electronic & Engineering Materials.

**(i) Revenue from contracts with customers**

Revenue is recognized when a customer obtains control of a promised good or service and thus has the ability to direct the use and obtain the benefits from the good or service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

***Revenue recognition policy***

Revenue is recognised at point in time when control of goods is transferred to the customer - based on delivery terms, payment terms, customer acceptance and other indicators of control as mentioned above; at an amount that reflects the consideration which the Company expects to be entitled in exchange for those goods.

The five-step process that is applied before revenue can be recognised:

- (i) identify contracts with customers;
- (ii) identify the separate performance obligation;
- (iii) determine the transaction price of the contract;
- (iv) allocate the transaction price to each of the separate performance obligations, and
- (v) recognise the revenue as each performance obligation is satisfied.

The timing of when the Company transfers the goods may differ from the timing of the customer's payment. Amounts disclosed as revenue are net of returns, trade allowances, rebates, taxes and amounts collected on behalf of third parties such as Goods and Services Tax (GST).

The Company does not expect to have any contracts where the period between the transfer of goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

**(ii) Export incentives**

Export incentives are accounted for in the year of export of goods, if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.

**(c) Property, plant and equipment**

Freehold land and Capital work in progress are carried at historical costs. All other items of property, plant and equipment are stated at historical cost, net of accumulated depreciation and accumulated impairment losses, if any. Such historical cost includes the cost of replacing part of the property, plant and equipment and borrowing costs if the recognition criteria are met. No decommissioning liabilities are expected or be incurred on the assets of plant and equipment.

Expenditure directly relating to construction activity is capitalised. Indirect expenditure incurred during construction period is capitalised as part of the construction costs to the extent the expenditure can be attributable to construction activity or is incidental there to.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

**Depreciation methods, estimated useful lives and residual value**

Depreciation on property, plant and equipment is provided on straight line method to allocate the cost of the assets, net of their residual values, over their estimated useful lives as follows. Depreciation commences when the assets are ready for their intended use.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

The Company, based on technical assessments made by technical experts and management estimates, depreciates the certain items of property, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. Table below provide the details of the useful lives followed by the management and useful lives prescribed under Schedule II of the Companies Act, 2013:

<b>Assets</b>	<b>Useful life followed by the Management (years)</b>	<b>Useful life prescribed in Schedule II (years)</b>
Building and roads		
Office Building	60	60
Factory Building	30	30
Plant and Machinery (based on single shift)	15-20	15-20
Office Equipment	3-5	5
Laboratory Equipment	10	10
Electrical Installations	10	10
Computers	3-6	3-6
Furniture and Fixtures	10	10
Motor Vehicle	5	8

The leasehold improvements and property, plant and equipment acquired under leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term, unless the entity expects to use the assets beyond the lease term.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

The asset's residual values and useful lives are reviewed and adjusted if appropriate, at the end of the reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other income/ other expenses respectively.

**(d) Investment properties**

Investment properties (held to earn rentals or for capital appreciation or both) are stated in the balance sheet at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Transfer to, or from, investment property is done at the carrying amount of the property. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that the future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

Investment property includes office building, that has an useful life of 60 years. Depreciation for office building is provided for on the straight-line method over the useful life.

**(e) Intangible assets**

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses. Internally generated intangible assets, excluding capitalised development costs, are not capitalised and the expenditure is recognised in the Statement of Profit and Loss in the period in which the expenditure is incurred.

Intangible assets with finite lives are amortised over their useful economic lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit or loss.

Research costs are expensed as incurred.

Technical Know-how, Customer Relationships and Non-Compete Rights acquired in a business combination/assets acquisition are recognised at fair value at the acquisition date. They have a finite useful life and are subsequently carried at cost less accumulated amortization.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the profit or loss.

The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Intangible assets are amortized on the straight-line method as follows:

Asset	Useful life (Years)
Computer Software	3
Computer Software (developed internally)	5
Technical Know-how	10
Customer Lists	10
Non-Compete Rights	5

The Company has tested the carrying value of Intangible Asset under Development for impairment as at reporting date and no impairment has been identified.

**(f) Investments and other Financial assets**

**(i) Classification & Recognition**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

**(ii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss statement.

The Company classifies its financial assets as follows:

- **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Foreign exchange gains and losses and impairment expenses are presented as separate lines item in the financial statements.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a financial assets that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

**(iii) Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Refer note 38 for details of how the company determines whether there has been a significant increase in credit risk.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets. The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables and
- All lease receivables resulting from transactions within the scope of Ind AS 116

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

**(iv) Derecognition of financial assets**

A financial asset is derecognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

**(v) Reclassification of financial assets**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest

**(vi) Income recognition**

Dividend income from investments is recognized when the right to receive payment is established.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

**(g) Taxation**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

**Current Tax**

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

**Deferred tax**

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**(h) Trade receivables**

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. Trade receivables are recognised initially at the amount of consideration that is unconditional unless there are significant financing components, when they are recognised at fair value. The company holds the trade receivables with the objective to collect contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

**(i) Inventories**

Inventories are stated at lower of costs and net realizable value. Cost of inventories comprises cost of purchase determined on weighted average basis. Cost of work-in-progress and finished goods comprises of direct materials, direct labour and all manufacturing overheads. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

**(j) Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(k) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are unsecured and are presented as current liabilities unless payment is not due within twelve months determined by the Company after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

**(l) Provisions and contingent liabilities**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past events, it is probable that an outflow of resources will be required to settle the obligations, and a reliable estimate of the amount of the obligation can be made.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

Provisions are determined based on the best estimate required to settle the obligation at the Balance Sheet date. Provisions are reviewed at each Balance Sheet date and adjusted to reflect current best estimates. Provisions are not recognized for future operating losses. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed by way of a note to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

**(m) Employee Benefits**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Company has liabilities for earned and sick leaves that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related services. But the Company does not have an unconditional right to defer settlement for any of these obligations, hence the entire amount of provision is presented as short-term obligation.

The liabilities for service awards are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

***Other Post-employment obligations***

The Company operates the following post-employment schemes:

- (a) Defined benefit plan – gratuity and cash rewards at retirement
- (b) Defined contribution plans – superannuation fund and provident fund

**(a) Defined benefit plans - Gratuity and cash rewards at retirement**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The Company provides for gratuity, a defined benefit plan (the “Gratuity Plan”) covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death or termination of employment, of an amount based on the respective employee’s salary and the tenure of employment. This plan is funded.

The Company also has ‘Cash reward at retirement’ plan which provides a payment of Rs. 2,500 for each year of service rendered at the time of normal retirement. This plan is unfunded.

The liability or asset recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets (as applicable). The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

**(b) Defined contribution Plans – Superannuation Fund, Provident Fund and National Pension Scheme (NPS)**

The Company contributes on a defined contribution basis to Employees’ Provident Fund, National Pension Scheme and Superannuation Fund. The contribution towards Provident Fund is made to regulatory authorities and contribution towards Superannuation Fund and National Pension Scheme is made to Life Insurance Corporation of India. Such benefits are classified as defined contribution plans as the Company does not carry any further obligations, apart from the contributions made on a monthly basis. Contributions are recognized as employee benefit expense when they are due.

**Termination benefits**

Termination benefits are payable when employment is terminated by the company before the normal retirement date, or when an employer accepts voluntary redundancy in exchange

**(All amounts are in INR lakhs, unless otherwise stated)**

for these benefits. The company recognizes termination benefits in the Statement of Profit and Loss in the year as an expense as and when incurred.

**Other accounting policies:**

**(a) Segment Reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker is the Company's Managing Director. Refer note 36 for segment information presented.

**(b) Rental Income**

Rental income arising from operating leases on properties is accounted for on a straight-line basis over the lease terms and is included in other income in the statement of profit and loss.

**(c) Interest income**

Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

**(d) Sale of Raw materials and scrap (Other operating Revenue)**

Revenue from sale of raw material and scrap is recognised at point in time when control is transferred to the customer - based on delivery terms, payment terms, customer acceptance.

**(e) Foreign currency translation**

**(i) Functional and presentation currency**

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

**(ii) Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in profit or loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

**(f) Other Financial Liabilities**

Other Financial liabilities are measured at amortised cost using effective interest rate method.

**(g) Leases**

*As a Lessee:*

Leases are recognised as a Right of use asset and a corresponding liability at the date at which the leased asset is available for use by the Company. Each lease payment is allocated between the principal (liability) and finance cost. The finance cost is charged to the Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the fixed payments (including in-substance fixed payments), less any lease incentives receivable.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the lessee's incremental borrowing rate is used, being the rate that the lessee would have to pay to borrow the funds necessary to obtain an asset of similar value in a similar economic environment with similar terms and conditions.

Right of use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs.

Right of use asset is depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the Right of use asset is depreciated over the underlying asset's useful life.

Extension and termination options are included in a number of property and equipment leases across the company. These terms are used to maximise operational flexibility in terms of managing contracts. The majority of extension and termination options held are exercisable only by the company and not by the respective lessor.

Payments associated with short-term leases and leases of low-value assets are recognised on a straight-line basis as an expense in the Statement of Profit and Loss. Short-term leases are leases with a lease term of 12 months or less. Low value assets mainly comprise small items of office equipment.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

As a lessor

Lease income from operating leases where the company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet on their nature.

**(h) Impairment of assets**

Goodwill is not subject to amortization and is tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Property, Plant and Equipment and Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amounts exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**(i) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

**(j) Contributed equity**

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

**(k) Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

**(l) Earnings per share**

**(i) Basic earnings per share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(m) Exceptional items:**

When the items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the Company for the period, the nature and amount of such items are disclosed separately as exceptional item by the Company.

**(n) Rounding off of amounts:**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

**2. Critical estimates and judgements**

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

In the process of applying the Company's accounting policies, management has made the following critical estimates and judgements, which have the most significant effect on the amounts recognized in the financial statements:

**i. Useful lives of property, plant and equipment and intangible assets**

The Company reviews the useful lives of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

**ii. Defined benefit obligations**

The cost of the defined benefit gratuity plan and the present value of the gratuity obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter which is most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

considers the interest rates of government bonds. The mortality rate is based on Indian Assured Lives Mortality (IALM) (2006-08) (modified) Ultimate. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates. For further details about gratuity obligations are given in notes 21 and 22.

**iii. Expected Credit Loss:**

Trade receivables do not carry interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not collectable. Impairment is made on the expected credit loss model, which is the present value of the cash shortfall over the expected life of the financial assets. The impairment provisions for financial assets are based on assumption about the risk of default and expected loss rates. Judgement in making these assumption and selecting the inputs to the impairment calculation are based on past history, existing market condition as well as forward looking estimates at the end of each reporting period.

**iv. Deferred tax assets:**

A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period. Refer note 15 for details of deferred tax as at year end.

**v. Legal contingencies**

The Company has received various orders and notices from tax and regulatory authorities. The outcome of these matters may have a material effect on financial position and results of operations of cash flows. Management regularly analyzes current information about these matters and provides provisions for probable contingent losses including the estimate of legal expenses to resolve the matters. In making the decisions regarding the need for loss provisions, management considers the degree of probability of an unfavorable outcome and the ability to make a sufficiency reliable estimate of the amount of loss. The filing of suit or formal assertion of a claim against the Company or the disclosure of any such suit or assertions, does not automatically indicate that a provision of a loss may be appropriate. Refer note 35 for details of contingent liabilities as at year end.

**vi. Segment reporting**

Ind-AS 108 Operating Segments requires management to determine the reportable segments for the purpose of disclosure in financial statements based on the internal reporting reviewed by Chief Operating Decision Maker (CODM) to assess performance and allocate resources. The standard also requires management to make judgements with respect to aggregation of certain operating segments into one or more reportable segment.

The Company has determined that the Chief Operating Decision Maker (CODM) is the Company's Managing Director, based on its internal reporting structure and functions. Operating segments used to present segment information are identified based on the

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

internal reports used and reviewed by the Managing Director to assess performance and allocate resources. Refer note 36 for further details of the operating segments identified.

**vii. Fair value of Investment Properties**

The fair value of land and building recognized under investment property is appraised each year by independent external valuer. The best evidence of fair value are current prices in an active market for similar investment property. In the absence of such information, the company determines the amount within a range of reasonable fair value estimates. The underlying assumptions of these estimates are explained in more detail in note 4.

**viii. Recent accounting pronouncements**

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended December 31, 2024, MCA has notified amendments to the leases standard (IND AS 116) for sale-and-leaseback transactions. The amendments impact how a seller-lessee accounts for variable lease payments that arise in a sale-and-leaseback transaction, in situations, where some or all the lease payments are variable lease payments, in particular, where the variability does not relate to an index or a rate. This amendment does not have any material impact on the amounts recognized in the prior periods and are not expected to significantly affect the current or future periods.

**(v) Presenting Cashflows**

The Company classifies cash outflows to acquire or construct investment property as investing and rental inflows as operating cashflow.

**Estimation of fair value**

The Company obtains independent valuation for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the Company considers information from a variety of sources including:

- current prices in an active market for properties of different nature or recent prices of similar properties in less active markets, adjusted to reflect those differences
- discounted cash flow projections based on reliable estimates of future cash flows
- capitalized income projections based upon a property's estimated net market income, and a capitalization rate derived from an analysis of market evidence

The fair value of investment properties have been determined by an independent valuer who is a registered valuer. The fair value is measured using external expert appraisals and by applying input factors for comparable assets not traded on active markets. All resulting fair value estimates for investment properties are included in level 2.

**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

**A Defined contribution plan**

**Provident and superannuation fund**

The Company has certain defined contribution plans. Contributions are made to provident fund for employees at the rate of 12% of basic salary as per regulations as well as to superannuation fund. The contributions are made to registered provident fund administered by the Government and superannuation trust administered through Life Insurance Corporation of India (LIC). The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the year towards provident fund (defined contribution plan) is INR 173.90 lakhs (December 31, 2023 - INR 172.98 lakhs) and other defined contribution plan (superannuation fund and National Pension scheme) is INR 142.91 lakhs (December 31, 2023 - INR 129.70 lakhs).

**B Defined benefit plan**

**I Compensated absences**

Company has liabilities for earned and sick leave that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related services. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The Company does not have an unconditional right to defer settlement for any of these obligations, hence the entire amount of provision is presented as current. However, based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months."

Provision for Compensated absences (Unfunded) is INR 548.66 lakhs (December 31, 2023 - INR 463.58 lakhs).

	As at December 31, 2024	As at December 31, 2023
Obligation not expected to be settled within next 12 months	497.00	405.57

**II Gratuity**

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972 (amended). Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the Company makes contribution to fund managed by Life Insurance Corporation of India.

<b>December 31, 2024</b>	<b>857.71</b>	<b>(810.67)</b>	<b>47.04</b>

The Company expects to contribute INR 94.94 lakhs (actual contribution for the year ended December 31, 2024 is INR 107.68 lakhs) to its gratuity plan in the year ending December 31, 2025.

The Fair value of the planned assets represents the balance as confirmed by the fund.

**(ii) The net liability disclosed above relates to funded plans are as follows :**

Particulars	December 31, 2024	December 31, 2023
Present value of funded obligation	857.71	755.60
Fair value of plan assets	(810.67)	(800.97)
<b>(Surplus)/ Deficit of funded plan</b>	<b>47.04</b>	<b>(45.37)</b>
<b>Unfunded plan</b>	<b>-</b>	<b>-</b>

**(iii) Significant estimates**

The significant actuarial assumptions were as follows :

Particulars	December 31, 2024	December 31, 2023
Discount rate	7.00%	7.50%
Salary growth rate	9.00%	9.00%

The estimated future salary increase, considered in actuarial valuation, takes into account the effect of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

**(iv) Sensitivity of actuarial assumptions**

The sensitivity of defined obligation to changes in the weighted principal assumptions is:

Assumption	Impact on defined benefit obligation	
	December 31, 2024	December 31, 2023
<b>Discount rate</b>		
0.50% increase	(28.26)	(24.48)
0.50% decrease	29.99	25.95
<b>Salary growth rate</b>		
0.50% increase	12.30	10.74
0.50% decrease	(11.65)	(10.70)

The above sensitivity analysis is based on a change in an assumption while holding all the other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

The Expected maturity analysis of undiscounted gratuity is as follows:

Projected benefits payable in future years from the date of reporting	December 31, 2024	December 31, 2023
Less than a year	94.94	107.68
Between 2 to 5 years	378.55	357.05
Between 6 to 10 years	651.70	508.72
<b>Total</b>	<b>1,125.19</b>	<b>973.45</b>

The weighted duration of the defined benefit obligation is 7 years (December 31, 2024 : 7 years).

(v) The major categories of plan assets are as follows:

Particulars	December 31, 2024	December 31, 2023
Funds managed by insurer (Life Insurance Corporation of India)	100%	100%

(vi) **Risk Exposure**

Through its defined benefit plan, the Company is exposed to a number of risks, the most significant of which are detailed below:

**Asset volatility:**

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. All plan assets are maintained in a trust fund managed by a public sector insurer i.e., LIC of India. LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years. The Company has opted for a traditional fund wherein all assets are invested primarily in risk averse markets. The Company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence, 100% liquidity is ensured. Also, interest rate and inflation risks are taken care of.

**Changes in bond yields:**

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an yield increase in the value of the plans' bond holdings.

**Future salary escalation and inflation risk:**

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in higher present value of liabilities. Further, unexpected salary increases provided at the discretion of the management may lead to uncertainties in estimating this increasing risk.

**Asset-Liability mismatch risk:**

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the Company is successfully able to neutralize valuation swings caused by interest rate movements. Hence, companies are encouraged to adopt asset-liability management.

**Life expectancy risk:**

Increases in life expectancy of employee will result in an increase in the plan liabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

III **Cash rewards at retirement**

The Company has a defined benefit plan of cash rewards whereby at the time of normal retirement, INR 2,500 is payable to employees for each year of service rendered. The scheme is unfunded.

**Movement in balances - Cash rewards at retirement**

(i) The amounts recognised in balance sheet and movements in the net benefit obligation - Cash rewards, over the year are as follows :

Particulars	Present value of obligation
<b>January 1, 2023</b>	<b>18.53</b>
Current service cost	0.87
Interest expense/(income)	1.23
<b>Total amount recognised in Profit or Loss</b>	<b>2.10</b>

<b>December 31, 2024</b>	<b>19.39</b>

**(ii) Significant estimates**

The significant actuarial assumptions were as follows :

Particulars	December 31, 2024	December 31, 2023
Discount rate	7.00%	7.50%

**(iii) Sensitivity of actuarial assumptions**

Assumption	Impact on defined benefit obligation

<b>Discount rate</b>		
0.50% increase	(0.61)	(0.56)
0.50% decrease	0.64	0.59

The above sensitivity analysis are based on a change in an assumption while holding all the other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

Between 6 to 10 years	15.48	11.90
<b>Total</b>	<b>25.76</b>	<b>23.14</b>

The weighted duration of the defined benefit obligation is 7 years (December 31, 2023 : 7 years).

**(iv) Risk Exposure**

Through its defined benefit plan, the Company is exposed to a number of risks, the most significant of which is detailed below:

**Changes in bond yields:**

A decrease in bond yields will increase plan liabilities.

**IV Long service awards**

Long Service Awards are payable to employees on completion of specified years of service wherein a cash amount as a percentage of monthly basic salary is paid at the time of retirement/resignation/termination (ranging from 75% to 300% of basic monthly salary basis number of years served). There are no changes in actuarial assumptions used compared to previous year and are aligned with the other defined benefit plans mentioned above.

The expense recognised during the year towards Long service awards is INR 5.14 lakhs (December 31, 2023 - INR 10.09 lakhs)

- On March 6, 2019, the Company was directed for closure of its operations in Ankleshwar by the Gujarat Pollution Control Board (GPCB) due to a suspected ground water contamination issue. The GPCB through its subsequent orders has granted temporary revocation of the closure order until July 23, 2025. The Company has represented to the GPCB for a permanent revocation of the closure order and based on the remediation done the management expects the positive outcome.

Note:

The Company's pending litigations comprise of proceedings pending with service tax authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for cases where provisions are required and disclosed as contingent liabilities where applicable, in its financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial results. In respect of the claims against the Company not acknowledged as debts as above, the management does not expect these claims to succeed. It is not practical to indicate the uncertainty which may affect the future outcome and estimate the financial effects of the above liabilities.

The Supreme Court had issued a Judgement in case of "Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal" and the related circular (Circular No. C-1/1(33)2019/Vivekananda Vidya Mandir/284) dated March 20, 2019 was issued by the Employees' Provident Fund Organisation in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. In the assessment of the management, the aforesaid matter is not likely to have a significant impact.

The Code on Social Security, 2020 ('Code') relating to employee benefits received Presidential assent in September 2020. However, the date on which the Code will come into effect has not yet been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

**i) Fair value hierarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements	Notes	Level 1 (Quoted prices in active market)	Level 2 (Significant observable inputs)	Level 3 (Significant unobservable inputs)	Total
<b>At December 31, 2024, Financial assets, Financial Instruments at FVTPL</b>					
Investments					
Mutual Funds	6	37,854.90	-	-	<b>37,854.90</b>
Financial assets and liabilities measured at fair value - recurring fair value measurements	Notes	Level 1 (Quoted prices in active market)	Level 2 (Significant observable inputs)	Level 3 (Significant unobservable inputs)	Total
<b>At December 31, 2023, Financial assets, Financial Instruments at FVTPL</b>					
Investments					
Mutual Funds	6	51,713.54	-	-	<b>51,713.54</b>

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives and equity securities) is based on quoted market prices at the end of the reporting period. The mutual funds are valued using the closing NAV. The quoted market price used for financial assets held by the company is the NAV of these mutual funds as at year end. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

**ii) Valuation technique used to determine fair value**

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Specific valuation techniques used to value financial instruments include:

The use of quoted market prices for same or similar instruments as on the reporting date.

**iii) Valuation process**

The Finance department of the Company includes a team that oversees the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values.

External valuers are involved for valuation of significant assets, such as unquoted financial assets. Involvement of external valuers is decided by the finance team. Selection criteria includes market knowledge, reputation, independence and whether professional standards are maintained. The Finance team decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

Changes in level 3 fair values are analysed at the end of each reporting period during the valuation discussion between the valuation team and external valuer. As part of this discussion the team presents a report that explains the reason for the fair value movements.

**iv) Fair value of financial assets and liabilities measured at amortised cost**

The carrying amounts of trade and other receivables, security deposits, fixed deposits with banks, interest accrued on deposits, cash and cash equivalents, other bank balances, trade payables, security deposits taken, capital creditors, employee benefits payable, unpaid dividend and other payables are considered to be reasonable approximation of their fair values.

**38 Financial risk management**

The Company's activities exposes it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk. The Company's risk management is carried out by the Company's finance department under policies approved by the Board of Directors. The Finance department identifies, evaluates and manages financial risk. This note explains the Company's exposure to financial risks and how these risks could affect the Company's future financial performance.

**(A) Credit risk**

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and deposits with banks and other financial instruments. For banks and other financial institutions, only high rated banks/ financial institutions are accepted. The balances with banks, security deposits are subject to low credit risk and the risk of default is negligible or nil. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets. The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information, for e.g. external credit rating (to the extent available), actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to borrower's ability to meet its obligations.

**Trade receivables**

Credit risk arises from the possibility that customer will not be able to settle their obligations as and when agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, analysis of historical bad debts, ageing of accounts receivable and forward looking information. Individual credit limits are set accordingly. General payment terms include advances and payments with a credit period ranging from 30 to 60 days. The Company has a detailed review mechanism of overdue customer receivables at various levels within the organisation. The company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information.

**Exposure to credit risk**

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk, being the total of the carrying amount of balances with bank, short term deposits with banks, trade receivables and other financial assets is disclosed at the end of the each reporting period. Refer relevant notes for details. At the reporting date, there were no significant arrangements which reduced the maximum credit risk.

**(B) Liquidity risk**

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by Senior Management.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. To assure the solvency and financial flexibility, the Company retains a liquidity reserve through cash and cash equivalents. The tables below analyse the Company's financial liabilities into relevant maturity group based on their contractual maturities for :

Period	As at December 31, 2024		As at December 31, 2023	
	< 1 year	> 1 year	< 1 year	> 1 year

<b>Total</b>	<b>11,087.15</b>	<b>46.34</b>	<b>11,230.44</b>	<b>46.34</b>

**(C) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk. Financial instruments affected by market risk include loans give, deposits, trade receivables, trade payables, derivative financial instruments and other financial asset and liabilities.

**I) Foreign currency risk**

The company is engaged in international trade and thereby exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD and EUR. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The Company's exposure to foreign currency arises from short term receivables and payables where fluctuations in the foreign exchange rates are generally not significant and consequently limiting the Company's exposure.

**ELANTAS Beck India Limited**  
**Notes to the financial statements**  
**(All amounts are in INR lakhs, unless otherwise stated)**

**i) Foreign currency risk exposure**

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows :-

Particulars	December 31, 2024		December 31, 2023	
	EUR	USD	EUR	USD
<b>Financial assets</b>

<b>Net exposure to foreign currency risk - assets/ (liability)</b>	<b>(496.31)</b>	<b>(1,002.40)</b>	<b>(915.05)</b>	<b>(239.11)</b>

**ii) Sensitivity**

The following tables demonstrate the sensitivity to a reasonable possible change in USD and EUR exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

Particulars	Impact on profit before tax	
	December 31, 2024	December 31, 2023
<b>EUR sensitivity</b>		
INR/EUR - Increase by 5% (31 December 2023-5%)	(24.82)	(45.75)
INR/EUR - Decrease by 5% (31 December 2023-5%)	24.82	45.75
<b>USD sensitivity</b>		
INR/USD - Increase by 5% (31 December 2023-5%)	(50.12)	(11.96)
INR/USD - Decrease by 5% (31 December 2023-5%)	50.12	11.96

**II) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Generally, the Company's exposure to the risk of changes in the market interest rates primarily relate to the Company's short term debt obligations with the floating interest rates. The Company does not have any borrowings in the current year as well as previous year.

**III) Price risk**

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the Balance sheet either as fair value through OCI or fair value through profit and loss. The Company invests into mutual funds which are subject to price risk changes. These investments are generally for short duration and therefore impact of price changes is generally not significant. Investment in these funds are made as a part of Treasury management activities.

**39 Capital Management**

**a) Risk management**

The Company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital. For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in the economic conditions and the requirements of the financial covenants, if any. The total equity as at December 31, 2024 is INR 86,711.94 lakhs (December 31, 2023: INR 73,199.41 lakhs).

No changes were made in the objectives, policies or processes for managing capital during the years ended December 31, 2024 and December 31, 2023. The Company has no borrowings during the years under consideration and hence there has been no breach in the financial covenants of any borrowings.

**b) Dividends**

As a part of Company's capital management policy, dividend distribution is also considered as a key element and management ensures that dividend distribution is in accordance with defined policy. Below mentioned are the details of dividend distributed and proposed during the year.

	December 31, 2024	December 31, 2023
<b>(i) Dividend paid (Equity shares of INR 10 each)</b>		
Final dividend for the year of INR 5 per equity share	396.38	396.38
<b>(ii) Dividends not recognised at the end of the reporting period (Equity shares of INR 10 each)</b>	594.58	396.38
The directors have recommended the payment of a final dividend of INR 7.5 per fully paid equity share. This proposed dividend is subject to the approval of shareholders in the ensuing annual general meeting.		

- 40** At the year ended December 31, 2024 and December 31, 2023, the Company has long term contracts for which there were no material foreseeable losses. The Company does not have any derivative contracts as at year end.

1. The Ministry of Corporate Affairs, Government of India ("MCA") has vide its circular No. 9/2024 dated 19<sup>th</sup> September, 2024 read with circulars dated, 8<sup>th</sup> April, 2020, 13<sup>th</sup> April, 2020, 5<sup>th</sup> May, 2020, 13<sup>th</sup> January, 2021, 8<sup>th</sup> December, 2021, 14<sup>th</sup> December, 2021, 28<sup>th</sup> December, 2022, 25<sup>th</sup> September, 2023 (collectively referred to as "MCA Circulars") and Circulars dated 12<sup>th</sup> May, 2020, 15<sup>th</sup> January, 2021, 13<sup>th</sup> May, 2022, 5<sup>th</sup> January, 2023, 6<sup>th</sup> October, 2023 and 03<sup>rd</sup> October, 2024 respectively, issued by the Securities and Exchange Board of India ("SEBI"), permitted the holding of the AGM through VC/OAVM, on or before 30<sup>th</sup> September, 2025, without the physical presence of the Shareholders at a common venue. In compliance with the provisions of the Companies Act, 2013 ("the Act"), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the 69<sup>th</sup> AGM of the Company is being held through VC/OAVM. The 69<sup>th</sup> AGM of the Company is being conducted through VC/OAVM Facility, which does not require physical presence of Members at a common venue. In compliance with the applicable provisions of the Act, SEBI Listing Regulations and MCA Circulars, the 69<sup>th</sup> AGM of the Company is being held through VC/ OAVM on Wednesday, 30<sup>th</sup> April, 2025 at 10.30 a.m. (IST). The proceedings of the AGM will be deemed to be conducted at the Registered Office of the Company situated at 147, Mumbai-Pune Road, Pimpri Pune- 411018 (Maharashtra).
2. The Company has availed the services of National Securities Depository Limited ("NSDL") for conducting the AGM through VC/OAVM and enabling participation of Shareholders at the Meeting thereto and for providing services of remote e-voting and e-voting during the AGM.

3. In terms of the MCA Circulars, since the physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be available for the 69<sup>th</sup> AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the Members may be appointed for the purpose of voting through remote e-Voting and for participation in the 69<sup>th</sup> AGM through VC/OAVM Facility and e-Voting during the 69<sup>th</sup> AGM.
4. The Statement, pursuant to Section 102 of the Act setting out material facts concerning the business with respect to Item Nos. 4 & 5 forms part of this Notice. Additional information, pursuant to Regulation 36(3) of SEBI Listing Regulations and Secretarial Standard - 2 on General Meetings, issued by The Institute of Company Secretaries of India, in respect of Director seeking appointment / re-appointment at this 69<sup>th</sup> AGM is annexed to this Notice. As per the provisions of Clause 3.A.II. of the General Circular No. 20/2020 dated 05<sup>th</sup> May, 2020, the matters of special business as appearing at Item Nos. 4 & 5 of the accompanying Notice, are considered to be unavoidable by the Board and hence, forming part of this Notice. Kindly note that in this notice, the term Member(s) or Shareholder(s) are used interchangeably.
5. Since the AGM will be held through VC/OAVM Facility, the route map, proxy form and attendance slip are not annexed to this Notice. The recorded transcript of the AGM shall be made available as soon as possible on the website of the Company at <https://www.elantas.com/beck-india>.

**6. Information relating to obtaining Annual Report through e-mail:**

In compliance with the MCA and SEBI Circulars, the Notice of the AGM along with the Annual Report for the Financial Year 2024 are being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/ DPs/RTA and the Company shall send the physical copy of Annual report for the Financial Year 2024 to those Members who request the same at [CS.ELANTAS.Beck.India@altana.com](mailto:CS.ELANTAS.Beck.India@altana.com). Members may note that Notice of the 69<sup>th</sup> AGM along with the Annual Report for the Financial Year 2024 will also be available on the Company's website at <https://www.elantas.com/beck-india/financial-documents/financial-information/unaudited-financial-results/annual-report.html>, website of the Stock Exchange, i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) and on the website of NSDL at <https://www.evoting.nsdl.com/>

As per Regulation 36(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('SEBI Listing Regulations'), as amended, a letter containing the web-link, including the exact path, where complete details of the Annual Report are available, is being sent to those Shareholders who have not registered their Email IDs with the Company or Depository Participants or MUFG Intime India Private Limited (Formerly Link Intime India Private Limited), Registrar & Transfer Agent (RTA) of the Company.

The Company will also publish an advertisement in newspaper containing the details about e-AGM i.e. the conduct of AGM through VC/ OAVM, date and time of AGM, availability of notice of AGM, and manner of registering the e-mail IDs of those Members who have not registered their email addresses with the Company/ RTA.

**7. Shareholders, whose email address is not registered with the Company /RTA or with their respective Depository Participant(s) are requested to register their e-mail address in the following manner:**

- Shareholders holding shares in physical form can register their e-mail id with the RTA by sending an e-mail to RTA at [pune@linkintime.co.in](mailto:pune@linkintime.co.in). Further, linking of PAN and Aadhaar is also mandated by the Central Board of Direct Taxes (CBDT).

- Shareholders holding shares in demat form may update the e-mail address through their respective Depository Participant(s).

Please note that registration of e-mail address and mobile number is mandatory while voting electronically and joining virtual meetings.

8. In terms of the SEBI Listing Regulations, securities of listed companies can now only be transferred in dematerialized form, so the Shareholders are advised to dematerialize shares held by them in physical form. Further, SEBI vide its Master Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/2024/37 dated 7<sup>th</sup> May, 2024. has mandated the Listed Companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate; claim from Unclaimed Suspense Account; Sub- division/ Splitting of securities certificate; Consolidation of securities certificates/folios; Transmission and Transposition. Accordingly, Shareholders are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website under the weblink at [https://elantascomcdn.azureedge.net/fileadmin/elantas/companies/elantas\\_beck\\_india/financial\\_documents/compliance\\_with\\_corporate\\_governance/kyc updation of Shareholders mandated by sebi.pdf](https://elantascomcdn.azureedge.net/fileadmin/elantas/companies/elantas_beck_india/financial_documents/compliance_with_corporate_governance/kyc updation of Shareholders mandated by sebi.pdf)

The Company / RTA shall verify and process the investor service requests and thereafter issue a 'Letter of Confirmation' ('LOC') in lieu of physical share certificate(s). The LOC shall be valid for a period of one hundred and twenty days from the date of issuance within which the shareholder/claimant shall make a request to the Depository Participant for dematerializing the said shares. In case, the demat request is not submitted within the aforesaid period, the shares shall be credited to the Company's Suspense Escrow Demat Account.

9. To prevent fraudulent transactions, Shareholders are advised to exercise due diligence and notify the Company of any change in address or demise of any Shareholder as soon as possible. The Shareholders are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
10. All documents referred to in the notice and the statement pursuant to Section 102 (1) of the Act annexed thereto requiring the approval of the Members at the Meeting will be made available for inspection. Electronic copies of necessary statutory registers, certificates and other documents, if any, will be available for inspection by the Members during the AGM through NSDL portal <https://www.evoting.nsdl.com/>.
11. **Instruction to furnish / update KYC, PAN, Bank Account and other details:**

SEBI, has through relevant circulars issued in this regard, mandated that the security holders (holding securities in physical form), whose folio(s) do not have PAN or Choice of Nomination or Contact Details or Mobile Number or Bank Account Details or Specimen Signature updated, shall be eligible for any payment dividend, interest or redemption in respect of such folios, only through electronic mode with effect from 01<sup>st</sup> April, 2024, upon their furnishing all the aforesaid details in entirety.

Accordingly, the Company with the help of its RTA has sent communication to the Shareholders holding shares in physical form, intimating about folios which are incomplete with regard to PAN or Choice of Nomination or Contact Details or Mobile Number or Bank Account Details or Specimen Signature with the following message:

- a. In case of non-updation of PAN or Choice of Nomination or Contact Details or Mobile Number or Bank Account Details or Specimen Signature in respect of physical folios, dividend etc. shall be paid only through electronic mode with effect from 01<sup>st</sup> April, 2024 upon furnishing all the aforesaid details in

entirety.

- b. If a security holder updates the PAN, Choice of Nomination, Contact Details including Mobile Number, Bank Account Details and Specimen Signature after 01<sup>st</sup> April, 2024, then the security holder would receive all the dividends etc. declared during that period (from 01<sup>st</sup> April, 2024 till date of updation) pertaining to the securities held after the said updation automatically.

SEBI vide its Master Circular No. SEBI/HO/MIRSD/ POD-1/P/CIR/2024/37 dated 07<sup>th</sup> May, 2024 has directed all the listed companies to update Bank Account details and PAN of the Members holding shares in physical form. It has been observed that many of the Members holding physical shares have not updated the said information. Therefore, such Members are requested to send the following documents to the Company's RTA:

- i. Self-attested copy of PAN card including that of joint Members (if any); and
- ii. An original cancelled cheque of 1<sup>st</sup> Member (Name of 1<sup>st</sup> Member should be printed on cheque leaf). If name of 1<sup>st</sup> Member is not printed on cheque leaf, photocopy of passbook or bank statement duly attested by the banker along with cancelled cheque (Photocopy of cheque will not be accepted/entertained).

The formats for nomination and updation of KYC details viz; Forms ISR-1, ISR-2, ISR-3, SH-13, SH-14 and relevant FAQs published by SEBI can be viewed at the following link on Company's website: [https://elantascomcdn.azureedge.net/fileadmin/elantas/companies/elantas\\_beck\\_india/financial\\_documents/compliance\\_with\\_corporate\\_governance/SEBI\\_FAQ\\_1704433843359.pdf](https://elantascomcdn.azureedge.net/fileadmin/elantas/companies/elantas_beck_india/financial_documents/compliance_with_corporate_governance/SEBI_FAQ_1704433843359.pdf) and on website of RTA <https://liiplweb.linkintime.co.in/KYC-downloads.html>
